Propose branch library, museum

A plan to establish a branch public library in the present Nameoki Fire Station at 3000 Nameoki Road after it is vacated in early December is under consideration by city officials, it was reported Friday.

The proposal is under study by the City Buildings Com-

mittee of the City Council and Alderman Ronald Coleman of the Seventh Ward, the council's representative on the Granite City library board, according to Mayor Paul Schuler.

Schuler said he also expects council members to include in their consideration the establishment of a Granite City

historical museum in the fire station building. Council members last week received from Mrs. Georgia Engelke, author of the historical book "Six Mile," suggesting that the fire house be used for a branch library and a historical museum.

Throughout this year's celebration of the nation's Bicentennial "There has been evidence of an awakened awareness of the need for a

local historical museum to preserve records and other items of historic interest," Mrs. Engelke told the council.

"I have also been greatly impressed with the growing concern of many people, young and old, in regard to the Nameoki fire house. It has been suggested that this would be an ideal place to set up a museum and branch library."

"I am sure that we can count on the cooperation of our community organizations. There are many people in our area with training and experience who would be willing to give of their time and talents in this worthwhile project."

Mayor Schuler told council members the idea of establishing a historical museum in the building along with a branch library "has considerable merit."

He said he plans to meet with Coleman and the City Buildings Committee which is made up of Aldermen Curt Blevins as chairman and Sam Whitman, Ward Two, and Emerald Daves, Ward Seven.

The Fire Department expects to move from the Nameoki Fire House to the new fire station at Richmond Avenue and Johnson Road during the first week in December, according to Fire Chief Don Parente.

Parente said construction work has been completed on the new station, but that lockers and other equipment still must be installed.

On and off the record Governor-elect proud of success in county

Governor-elect James R. Thompson, remembers his success in Madison County as well as in the state, he indicated during questioning yesterday on the "Meet the Press" telecast.

Stressing that he received both liberal and conservative backing in his nearly 240-victory on Nov. 2, Thompson noted that he had won in 100 of

the 102 Illinois counties— "including a 14,000-vote margin in Madison County, the most Democratic county of all."

Proud of his 1,400,000-vote victory edge, Thompson said he is being given a voice by outgoing Gov. Daniel Walker in formation of the 1977-78 state budget.

Thompson cited school funding as a primary objective.

Wins by McBride's foe in some locals

Centering its activities here on Granite City Steel employees, the Ed Sadlowski ticket for United Steel workers of America offices has won three locals in the nominating competition.

In sparse balloting, Sadlowski won 97-23 in Local 67, 49-26 in Local 30 and 6-5 in Local 4063 (guards). Marvin Weinstock carried at a news conference Friday at Sadlowski headquarters in Madison.

Weinstock is running for vice-president of administration. Thirty-three locals in the Granite City sub-district have voted to nominate Lloyd McBride for UAW president and three have supported Sadlowski, officials at the Steelworker office here said today.

In District 34, which McBride heads, 95 locals have nominated McBride and five have nominated Sadlowski, it was announced.

Nationally, 1,500 locals have supported McBride and 187 have backed his opponent. With 150 needed by each, both will be on the ballot for a nationwide referendum Feb. 8.

Weinstock alleged here that "dirty tricks" have limited his ticket's access to steelworkers.

Buddy Davis, who backs McBride and is a candidate for district director, said today only two complaints of impropriety have been filed and both were resolved to everyone's satisfaction. They related to locals seeking to hold nominations prior to the Nov. 8 starting date, he said.

Weinstock has won at American Steel Foundries, Consolidated Aluminum Corp. and Laclede Steel Co. Weinstock asserted at the press conference that "they are

State pay hikes are considered

The possibility of raising yearly pay of legislators from the present \$20,000 to as much as \$25,000 is being explored by the Illinois General Assembly.

After launching a special session Wednesday for action on vetoes and amendments, legislators began an 11-day recess Friday.

Pay hikes for judges and state officials also are being discussed.

Governor Daniel Walker and Governor-elect James Thompson have urged the Assembly to approve Walker financial cutbacks and vetoes, but the Illinois Senate voted Thursday to restore \$100,000 to the budget of the Legislative Advisory Committee on Public Aid. The override will prevail only if there is similar House action.

Illinois economy better in 1977

The economy of Illinois and the nation will experience moderate, steady growth in 1977.

This is the consensus of key business leaders from all parts of the state, according to Lester W. Brann Jr., president of the 19,000-member Illinois State Chamber of Commerce.

In announcing results of a poll of the State Chamber's 60-member board of directors, Brann reported "general agreement that 1977 will be a year of modest growth and continued economic recovery. Although no major upswing is seen."

Brann added, "Despite uncertainties caused by inflation, Illinois' business outlook—and that of key industries here—is encouraging."

Brann said the survey respondents represent a cross-section of the state's economy. The board members represent large and small companies in all types of commerce and industry from all parts of the state.

"Capital spending will rebound significantly, and a stable economy will restore consumer confidence, with increases expected in savings, sales, incomes, employment and housing starts," Brann said.

"While no boom is in the cards, we see a definite continued upturn for most indicators, a strengthened growth rate of about five per cent, and generally good times overall."

Representative comments received in the survey included:

Edward W. Ruhe, president, 6th Brass, East Alton:

"Recovery from the 1975 recession was at a rapid pace in the early part of this year, but has slowed substantially. We expect recovery to continue through 1977, slowly at first but gradually improving during the year."

Although inflation slowed during the early part of 1976, as the final reaction to the recession, it has since worsened. Although improved

economic activity in 1977 will scarcely constitute a "boom" condition, we expect that the rate of inflation will average about six to eight per cent throughout the year.

"This appears to be the level at which inflation has now become 'institutionalized.'"

Business in the brass mill industry has substantially recovered from the recession and activity is at a moderately high level, generally in line with conditions. There are no signs of significant inventory accumulation.

We expect continuing gradual growth in the demand for our products through 1977, but do not foresee demand outstripping capacity during the year—unless a copper mine strike occurs, triggering a scramble by the industry's customers to protect themselves against a prolonged strike by building inventories.

Wm. S. Badgley, chairman of the board, First National Bank of Belleville:

"We're optimistic about the business prospects of our community next year. Belleville is basically a residential area with its residents employed in diverse businesses throughout the area, and unemployment is low and is expected to remain below the national rate. Our local economy will be greatly influenced during 1977 by the move of 3,000 families, 10,000 people from Richards-Gebaur Air Force Base to Scott Air Force Base immediately east of Belleville. This move is scheduled for late spring and summer 1977."

During the past year, we saw an increase in housing starts, an increased number of new businesses started and other small business expansions. Generally speaking, our economy is stable, with a healthy increase in total business of all types. I feel this trend will continue during 1977."

Richard N. Clark, vice president and general manager, (Continued on Page 10)

Judge backs airport ruling

U.S. Transportation Secretary William T. Coleman Jr. acted legally in approving Illinois' plans for a regional airport at Columbia-Waterloo, Judge Aubrey E. Robinson Jr. ruled Friday in Washington, D.C.

The Missouri-St. Louis Metropolitan Airport Authority, a group that was formed to oppose Illinois airport plans, had asked that the court block the project through an injunction.

Judge Robinson said Coleman had authority for his action. The judge granted 30 days for additional arguments on why he should not grant a summary judgment upholding the airport proposal.

An appeal to the U.S. Court of Appeals is anticipated.

The Missouri group cited a Supreme Court decision

overturning Transportation Department approval of a highway through a Memphis, Tenn., park. Judge Robinson said the

airport case is different and cited a large volume of information considered by Coleman.

He rejected a request for permission to take depositions under oath from officials and others regarding airport issues.

Views differ on new locks

Sharply differing viewpoints were voiced Thursday at a hearing in Clayton on proposed replacement of Alton Locks and Dam 26 with new facilities two miles downstream in the Mississippi River. Midwest

grain producers disagreed, some saying new locks would mean improved and less expensive shipping to the Gulf of Mexico and better access to foreign markets, and others saying that increased barge line

competition could force railroads to abandon marginal freight routes, leaving some farmers worse off than at present.

Also debated were whether (Continued on Page 10)

Patrick-Painter nuptials at First Baptist Church

The wedding of Miss Becky Painter, a daughter of Mr. and Mrs. John Painter, 2525 Buenger Blvd., and Vernon Patrick, a son of Mr. and Mrs. Jack Patrick, 4150 Division Ave., took place on Nov. 6, at the First Baptist Church, 21st Street and Delmar Avenue.

White satin bows marked the pews and arrangements of greenery and candles adorned the altar for the double-ring ceremony performed by the Rev. Marvin Peters.

Mrs. Betty Lysterla presided at the organ and played several selections of nuptial music and accompanied Mrs. Carol Potter as she sang, "Colour My World," "The Wedding Song" and "The Lord's Prayer."

Escorted to the altar by her father, the bride, wore a long gown of Chantilly lace featuring a high collar and full bishop sleeves. Pearled flowerettes accented the molded bodice.

The bouffant silhouette skirt was fashioned of tiers of lace ruffles and extended into a cathedral train.

She wore a lace bordered veil secured in a crown headpiece of

lace and pearls and she carried a teardrop bouquet of white, peach and coral carnations with baby's breath and greenery.

The bride chose her sisters, Miss Donna Painter, to serve as maid of honor. Bridesmaids included: Miss Karen Hoover, Mrs. Beverly Schwen, Miss Barbara Thomas, Miss Kathy Morris and Miss Carol Hogue.

They chose identical designed gowns created with ruffled bodices enhanced with a button trim and high necklines edged with self fabric ruffles. The ruffles were repeated on the cuffs of the long sleeves and also encircled the hemlines of the full skirts.

The honor attendant chose a peach color dress and the bridesmaids appeared in coral gowns. Each carried a coral, peach and white carnation bouquet and wore matching headpieces.

Susie Schwen, a niece of the groom, was the flower girl. She was dressed in a frock to match the maid of honor and she carried a basket of rose petals.

She also wore a floral headpiece.

Linda Painter attended the guest book.

For her daughter's wedding, Mrs. Painter wore a blue knit sleeveless formal length gown featuring an A-line skirt and square neckline edged with white lace and complemented with a full length long sleeved coat of matching blue and white lace. She wore a blue and white carnation corsage and silver accessories.

The groom's mother, Mrs. Patrick, selected a full length silver brocade dress with silver accessories and corsage of white carnations.

A rehearsal dinner was held at the groom's parents in their home for the wedding party with the Rev. and Mrs. Marvin Peters attending.

The newlymarried couple received 250 guests at a reception held at the Polish Hall in Madison.

Both young people are graduates of Granite City High School North. They are residing in Granite City following a wedding trip to the Missouri Ozarks.

POSTER CONTEST WINNERS include Janette Narup, second from left, of Sacred Heart School, first place for fifth and sixth graders, and Tom Aubuchon, of Grigsby, first place for junior highs. Eugene Alassi, art consultant for Granite City schools is at left and Mrs. Marilyn Harris, local poster contest coordinator, is at right.

11 win poster contest awards

Eleven area students were winners of the Thrift Poster Contest sponsored during October by the Madison County Federal Savings and Loan Association.

First prize winner of the category for third and fourth grade was Patricia Scaturro, St. Mary's School; Jennifer Smith, Louis Baer School, second prize, and Dawn Welty, Louis Baer School, third, all of Madison.

Fifth and sixth grade first prize winner was Janette Narup, Sacred Heart School; Gary McFall, Sacred Heart, second prize, and Dawn Welty, Louis Baer, third prize.

Grigsby Junior High School took all awards in the seventh and eighth grade category with Tom Aubuchon, first prize; Mark Finch, second prize, and Mary Kefalas, third prize.

The high school category first prize winner was Frank Eckhardt, Madison High School, and second prize went to Fred A. Waters, Madison High School.

The first prize winners in each of the four categories now become eligible to compete for cash awards totaling \$1,200 in the statewide contest sponsored by the Illinois Savings and Loan League.

This year's theme, "A People Who Save Live Better," dealt with the contributions savings make to a better life and nation.

"The contest gives aspiring young artists the chance to display their artistic talents in a poster as well as to help install in young people the importance of thrift," said A. H. Fomling, president of Madison County Federal.

Eugene Alassi, administrative art consultant to Granite City Schools, was the judge in the contest, and Mrs. Marilyn Harris, assistant secretary of Madison County Federal, was the local coordinator.

Deadline Dec. 3 for public works grant requests

The Economic Development Administration (EDA) Department of Commerce, has set Dec. 3 as the deadline for submitting applications for Title I Public Works Employment Act Funds. The "East-West Gateway Coordinating Council, the certified clearinghouse for all applications for federal funds in the St. Louis Region, is urging all interested local governments to submit applications to them as soon as possible in order to meet this federal deadline. Monies under Title I will be used to fund: Projects that increase immediate employment opportunities for unemployed residents in the project area. Locally oriented projects that provide useful public facilities in areas of high unemployment and low income. Projects that advance local plans and contribute to long-term development. Facilities that could not have been constructed in the absence of the Local Public Works Grant. In addition to Dec. 3, EDA has set the following deadlines: Dec. 9. Revised applications must be returned to EDA. Dec. 24. EDA will announce grant awards. For further information about deadlines and about the Public Works Employment Act, Quad-Cityans may contact Sandra Freeman (ext. 239) or Larry Friederich (ext. 248), East-West Gateway Coordinating Council 274-2750.

Flinn—Study Belleville area mine collapses

State Representative Monroe L. Flinn (D-Cahokia) has introduced a resolution in the Illinois House requiring that the Illinois Abandoned Mined Lands Reclamation Council not release any more state bond funds until it studies feasibility of establishing a mine subsidence pilot project in Belleville. Flinn, chairman of the House Executive Subcommittee on Mine Subsidence, has been urging the reclamation council to initiate a subsidence project in an urban area, such as Belleville, instead of farmlands in Stanton and Nokomis. "The real benefits of underground mine reclamation are not going to be felt in rural areas," Flinn said. "While the council is out reclaiming farmland, peoples' homes are crumbling in Belleville. This kind of misuse of public funds must stop."

Much of Belleville is laced with abandoned underground mine shafts, he said. Over a period of time, some have collapsed, causing severe damage to many buildings; since such damage is not covered by ordinary insurance, many Belleville home owners face financial ruin, Flinn added. Flinn has indicated he will introduce legislation in January that would mandate the Abandoned Mined Lands Reclamation Council to initiate a mine subsidence project in an urban area such as Belleville. The subcommittee will hold a public meeting in Springfield at 10 a.m. Monday, Nov. 29.

State allots motor fuel tax

Illinois municipalities have been allotted \$9,871,394 as their share of motor fuel tax paid into the state treasury during October according to the Illinois Department of Transportation. Motor fuel tax funds are allocated monthly to the various municipalities in Illinois for their streets and highways. The monies allocated are computed on the basis of population. Allocations to Quad-City area communities included \$42,294 to Granite City, \$7,133 to Madison

Bicentennial issue devoted to literature

As a Bicentennial tribute, Papers on Language and Literature has published an expanded fall issue devoted to American literature. The publication is a scholarly journal published quarterly by the School of Humanities at Southern Illinois University at Edwardsville.

The guest editor for the special issue is Nicholas Jost, professor of English language and literature at the university. He has selected essays on "France in America," Edgar Allan Poe, T.S. Eliot, Eugene O'Neill, the Harlem Renaissance, Zora Neale Hurston and William Inge. A review essay examines "recent editions of American travel literature."

Five of the ten contributors are faculty members at SIUE. They include: Floyd Coleman, assistant professor of art and design; William Going, professor of English language and literature; Theresa Love, associate professor of English language and literature; and John Richardson, professor of art and design. One of the contributors is a recent SIUE graduate, Ann Riddon. Miss Riddon graduated with a master of arts degree. Of particular interest to St. Louisans is an essay by Charles Burgess on "William Inge in St. Louis." Burgess has drawn from records and reminiscences for his account of the playwright's life from 1943 to 1949.

The cover for the issue is a pen-and-ink overlay of American literary figures drawn by John Richardson. Papers on Language and Literature is edited by Alvin Sullivan, assistant professor of English language and literature at the local university.

ENTER SERVICE STATION
A window in the south overhead door was broken and the door opened to gain entry to Ed's Conoco Service, 1501 Madison Ave., it was discovered at 6:50 a.m. Friday. A large rock used to break the window was found on the floor. The owner was unable to open the cash register Friday morning and believes it was tampered with and broken during the break-in. Nothing is known missing.

Odd Fellows lodge formed at Six Mile 125 years ago

(2nd of a Bicentennial year Press-Record series)

One of the oldest of Quad-City area organizations is Nameoki (Six Mile) Lodge #7 of the Independent Order of Odd Fellows.

Chartered on Oct. 17, 1851, the lodge has just passed its 125th anniversary and embarked upon its 126th year.

Sixty-eight members, together with their families and brother lodges, commemorated the centennial on Oct. 27, 1951 by holding a festival at Nameoki Grade School.

The original Six Mile Lodge was organized Jan. 2, 1851, at the residence of John Atkins and continued to meet there until the members erected a lodge building in 1853.

The initial site was one mile west of Nameoki and the lodge was built of timber given to the

lodge by Hiram Sippy. The wood was cut and sawed by a horse-power saw mill on the farm of Sam Squires. The joints and sills were of walnut.

Members constructed the building and T. J. Irish donated the second site, near the fire hall, where the building was moved there 86 years ago at a cost of \$313.

The lodge also owned a farm near Oldenburg, which it sold to Jacob Bush, who died 25 years after the lodge was founded.

The charter members were E. P. Pettengill, James J. Smith, Amos Atkins, Joseph Atkins and Peter J. Irish. Pettengill, Atkins, Irish and Squires were officers.

Progress of the nation and the lodge are indicated by the minutes, which date back to June 2, 1858.

The building was heated by

fireplace until 1878, when a cord wood stove was purchased.

In 1898, pot-bellied coal stoves were obtained and in 1940 modern oil heaters were secured.

Water and gas were installed in 1946 and plumbing in 1949. During the first few years, candles provided illumination

for the night meetings — until gas lamps were secured in 1881. Coal oil lamps were bought two years later, and in 1924 the lodge switched to pressure tank gas lights, which were used until electrical connections were made in 1927.

The lodge made plans to install fluorescent fixtures and to erect a large neon sign on the front of the building to commemorate the centennial.

Members either rode horseback or traveled by wagon to the first meetings and, during a flood in 1851, attended by boat.

During the early years, many

members from nearby areas used boats to cross sloughs and swamps and were met by other members with horse and wagon.

Because of the mode of transportation, many members had to make a weekend trip to attend meetings.

Other notes from the minutes show that on June 8, 1860, the lodge voted not to install lightning rods on the hall.

On Feb. 1, 1864, death benefits amounting to \$80 were voted for the family of a deceased member, including \$3 per week for sick benefits and \$25 funeral

benefits.

An entry dated June 8, 1872, was: "Brother Fox stated that the lodge was out of wood. A committee agreed to procure wood."

The name of the lodge was changed from Six Mile to Nameoki on Nov. 17, 1877, and the next year the members voted to "procure the secretary a desk to write on."

Repairs to the lodge fence and hitch rack were approved June 1, 1878, and the lodge on July 1, 1882, held a "debate" about buying Chouteau Island.

An entry dated June 7, 1890,

stated that \$313 was paid to a Mr. Kraft for moving the hall and placing it on a new foundation at 3006 Nameoki Road.

During the ensuing years, the following churches met in the lodge building: Union Church, Methodist Church and Presbyterian Church.

The Nameoki Methodist Church met in it until its building was completed in the early 1930s.

Other fraternal orders that met at the 100P lodge are: Modern Woodman, Masonic Lodge and Royal Neighbors.

Until funds had been ap-

propriated for the Nameoki School, the lodge hall was used for the schoolhouse. In return, the centennial celebration was held in the modern school building.

Centennial officers of the Nameoki Lodge were: Herbert Mueller, noble grand; Ray Yackel, vice-grand; Virgil Snider, recording secretary; Louis Wille, financial secretary; Ervin Mueller, treasurer; Walter Robinson, warden; Harold Rapp, conductor; Leo Anthony, inside guardian; and John Schillinger, outside guardian.

Loan authorized to pay for Chouteau highway equipment

The Chouteau Town Board of Auditors has voted to amend the township's highway department budget to add \$5,000 to the equipment purchase category, allowing Highway Commissioner James Estes to pay an overdue payment for a truck and tractor purchased three years ago.

The \$5,000 will come from an anticipation warrant Estes will sell to a local bank. Authorization for that anticipation warrant also was granted by the board.

Estes is overdue on a \$7,464 final payment on a truck and tractor he purchased three

years ago. That payment was due Sept. 1.

There will not be enough money to pay for another used truck he purchased in Springfield last month, township officials said.

There was a discussion whether the bonds posted by the contractor and subcontractors on the township hall and community center construction project are sufficient to protect the township against any liability the contractor might have. The board studied the bonds and determined lien waivers will not be necessary to protect the township.

New traffic stop in Madison

Another Madison traffic stop was established Wednesday night at a meeting of the Madison City Council, creating an east-west stop at Collinsville Avenue and Alton Street.

Third Ward Alderman Ronald Grzywniak said, "I have had several requests for a north-south stop sign at Plum and Reynolds streets."

Second Ward Alderman Don Brivley remarked, "I know where we have a street without a stop sign, but I'm not telling any of you."

The council opened bids for new police officers. The mayor directed the bids be turned over to the finance committee for study with the chief of police.

Mayor's ball in Madison

The final event of the Madison Bicentennial Committee will be the "Mayor's Ball" on Friday, Dec. 3, at the Croatian Home, 1000 Madison Ave., Madison.

Music will be provided from 9 p.m. Friday until 1 a.m. Saturday by the Terry Dutko orchestra.

Tickets are \$250 per person in advance and \$3 at the door.

Tickets are on sale at the Madison City Hall 1523 Third St. and by Madison firemen. Part of the proceeds will go to the Madison Fire company.

The ball will follow a Christmas theme.

REDWOOD BURGLARY

Clothing and jewelry with a combined value estimated at \$1,600 were stolen from the home of Lori Fairfield, 4912 Redwood Lane, during a burglary last week. Glass in a south garage door was broken to gain entry and a door from the garage to the house was opened. It appeared the burglar prepared and ate food in the house.

Corporation charters issued

Two domestic corporation charters have been issued by the State of Illinois, Secretary of State Michael J. Howlett has announced.

A domestic charter has been issued to Schermer's Pontoon Super Market Inc., No. 1 Gault Plaza, Pontoon Beach. Charterers are David Schermer and Rella Knapp. Listed in the charter are 2,500 shares of common stock with a par value of \$10. The corporation is "to

manufacture, buy, sell and deal in all goods, wares, and merchandise of every kind."

Correspondent is Susan, Schermer, Miller and Rimmel, Attorneys and Counselors, 7733 Forsyth Blvd., Suite 1100, St. Louis, Mo.

Also granted a domestic charter was the Green Dragon Health Spa, Inc., issued Marjorie Ferris, 1638 Delmar Ave., Granite City. The corporation is to "provide health and related services to the general public."

Listed in the charter are 100 shares of common stock of non-par value. Correspondent also is Marjorie Ferris, 1638 Delmar Ave., according to the charter.

A not-for-profit charter has been issued by the office of the secretary of state to the Happy Springs Junior Tamburitzans, 2349 Clark Ave., Granite City. Charterers are George Petrunich, Joseph A. Niemczyk and Charles H. Hagnauer. Correspondent is Joseph Niemczyk, St. Louis.

Walker urges no overrides on spending

Gov. Daniel Walker last week met with Democratic and Republican leaders of both houses of the General Assembly to urge they uphold his vetoes of appropriation bills. Legislators began a special session Wednesday.

In his remarks, Gov. Walker said that "not only is each veto important, but once the line is broken, it could trigger more and more overrides."

"The state is now in sound fiscal condition. We can keep it sound if the vetoes are upheld. It is also important to emphasize that a veto override carries serious fiscal implications far beyond the amount of money involved in the bill itself," the governor contended.

"For example, a \$5 million dollar override means \$5 million more to be spent in this fiscal year, and \$5 million next fiscal year."

"In addition, there is a strong likelihood that once a new level of spending has been established, the interest group will seek an increase from the higher level reached through the override."

In all, Gov. Walker acted on 11 items, reductions and outright vetoes on 81 bills totaling \$520,900,000 (\$169,700,000 general and \$351,200,000 other funds).

If all the vetoes were overridden, the state would be committed to spending over \$3 billion through July 1, 1978, he asserted.

"The state cannot afford that kind of spending," Walker concluded.

Royal dancers at Hu Ke Lau

The Royal Polynesian Dancers, complete with flaming torches, and a group of native dancers began Tuesday two shows nightly at 8 p.m. and 10 p.m. at the Hu Ke Lau Restaurant, Johnson Road at Terrace Lane.

The group of Pacific Islanders was chosen originally to represent the nation's Bicentennial (which coincides with that of this country) in Japan and have been on a world tour as part of a cultural exchange mission ever since.

Leader of the group of four girls and four young men and Prince of the show is Lela Lela, son of the Paramount Chief of Samoa and his sister, Princess Leana, who has won the Pacific Dancing Championship four times.

Natural dancers, they have a traveling repertoire of 80 traditional performances from which they have chosen a few. Among them is a war dance with flaming torches.

Sherry Cliff is betrothed

Announcement is being made by Mr. and Mrs. Robert Clark Cliff, Florissant, Mo., of the engagement of their daughter, Miss Sherry Lynne Cliff to Mark Eugene Amen, a son of Mr. and Mrs. Eugene Amen of Florissant.

The bride-elect is a niece of Mr. and Mrs. Harold Waker of Granite City. She is a 1975 graduate of Valparaiso University, Ind., where she received a bachelor's degree in music education and pipe organ. Miss Cliff is currently working as minister of music at Calvary Lutheran Church, Ferguson, Mo., and as a National Park Service ranger at the Gateway Arch.

Her fiancé was graduated in 1976 from the University of Missouri at Rolla, with a bachelor's degree in civil engineering. He is employed as a civil engineer for the St. Louis County Highway Department. The engaged couple will be married on Jan. 15 at Calvary Lutheran Church.

Antiques valued at more than \$250 and a \$350 diamond ring were stolen from the home of Mrs. Emma Gobbie, 2523 Edwards St. between 4 and 10:20 p.m. Thursday. There were no signs of forced entry. First Presbyterian scene of Parker-Crisel wedding

The wedding of Miss Sharon Kay Crisel, of Granite City and Larry David Parker of St. Louis, was solemnized on Oct. 30, at the First United Presbyterian Church.

A wedding arch decorated with pink flowers and greenery provided the setting for the double ring ceremony performed by the Rev. David B. Maxton, at 4 o'clock in the afternoon.

Organist Mrs. Isabell Schmidt played a program of nuptial selections including, "Sunrise, Sunset."

The bride is a daughter of Mr. and Mrs. Homer Crisel, 2167 Cleveland Blvd. Parents of the groom, Mr. and Mrs. William Parker, reside at 10521 Maddox Ave., St. Louis.

For her wedding the former

Miss Crisel selected a formal white qiana and satin bridal gown designed with a V-neckline and sheer angel style sleeves, enhanced with a eyelace train.

The semi-full skirt extended into a chapel train. She wore a matching picture hat and held a bouquet of pink Sweetheart roses, stephanotis and baby's breath encircled with pink tulle.

Matron of honor Mrs. Gary Crabtree, chose a long, long, long blue knit halter dress worn with a hooded jacket trimmed with marabou.

She held an open blue lace fan festooned with pink roses and baby's breath.

Mrs. Paula Pulliam and Mrs. Pam Bishop, sisters of the bride, served as bridesmaids. They wore identical styled

gowns in a maroon shade and also held matching fans. Denise Adams, a niece of the groom, was the flower girl. She was dressed in a light blue satin frock and wore a headpiece of white roses. She carried a basket of rose petals.

Scott Pulliam, the bride's nephew, served as ringbearer. The groom chose his brother, Wally Parker, as best man. Ron Adams, Ted Castiel, Ron Presley and Mark Kaiser completed the corps of groomsmen and ushers.

Renée Heuser attended the guest book at a reception held at the Koinonia Center. Mark Pulliam, a nephew of the bride and Dahrir Adams, the groom's niece, distributed rice packets.

Mrs. Crisel, mother of the bride, was attired in a long deep rose knit gown complemented with a multi-color jacket. The groom's mother chose a pale blue knit dress worn with a royal blue velvet cape. They

wore rose corsages.

A graduate of Granite City High School South, the bride, is employed at the family owned Rose Bowl Florist. Her husband is a Mercy High School graduate and currently works at National Engines and Parts, St. Louis.

The newly married Mr. and Mrs. Parker are now residing in St. Ann, Mo.

MR. AND MRS. LARRY PARKER. They exchanged wedding vows at the First United Presbyterian Church, Granite City. Formerly Sharon Kay Crisel, the bride is a daughter of Mr. and Mrs. Homer Crisel, 2167 Cleveland Blvd.

MRS. THOMAS J. STANFILL. the former Miss Cheryl Ann Newman, who was married on Friday evening at the Charleston Naval Base Chapel, South Carolina. She is a daughter of Mr. and Mrs. Peter A. Newman, 7622 Hillandale Road, Charleston, S.C.

Cheryl Ann Newman weds Thomas James Stanfill

An out of town wedding of interest here was that of Miss Cheryl Ann Newman, a daughter of Mr. and Mrs. Peter A. Newman, 7622 Hillandale Road, Charleston, S.C., and Navy Hospitalman Thomas James Stanfill, a son of Mr. and Mrs. John F. Stanfill, 2214 State St., Friday evening, at the Charleston Naval Base Chapel. Fall floral arrangements decorated the altar for the 7:30 double ring ceremony performed by Father Ernest F. Passero.

Organist Mrs. Donald Walton accompanied Mrs. Robert Dewas as she sang, "O Promise Me," "We're Only Just Begun," "A Wedding Prayer" and "Ave Maria."

For her wedding, the bride chose a long sheer organza gown fashioned with a molded bodice lavishly appliqued with re-embroidered lace etched with pearls, and designed with a semi mandarin collar, long bishop sleeves cuffed with matching lace.

Her slightly gathered skirt fell softly into a chapel train. She wore a lace edged mantilla veil of bridal illusion held in place with a halo headpiece of lace and jewels, and she carried a nosegay bouquet of white carnations and white spider mums, centered with a cluster of yellow roses. Attending the bride as matron

of honor was Mrs. Halbert Wengatz and bridesmaids, Miss Cathy Newman, a sister of the bride and Miss Catherine Stanfill, the groom's sister. Long Newman, another sister of the bride, served as flower girl. They wore identical full length gowns created in an off-white polyester accented with brown velvet embroidered yoke and cuffs.

The adult attendants held a single long stem bronze mum festooned with yellow streamers and the flower girl carried basket of bronze petals.

Darrel Markussen attended the groom as best man. Dr. Halbert Wengatz and Martin Moore were groomsmen.

Gregory and Wesley Stanfill, brothers of the groom seated the guests.

Immediately following the service a reception was held at the Oaks Country Club in Charleston. The rehearsal dinner was hosted at the Sheraton Motor Inn.

The newly married couple will reside in Charleston following a wedding trip to Florida. An employee of the U.S. Postal Service, the former Miss Newman, graduated from R. B. Stall High School. The groom is a Granite City High School South graduate and is serving at the Naval Regional Medical Center.

not providing us lists of various local financial secretaries. Nomination forms must be delivered to the financial secretary at least 48 hours before a local nominating meeting. Many of these people are in McBride's pocket and hide from her people.

"The official UFWA paper is 'red-baiting.' We aren't Communists. Every member of our ticket has served our country in the armed forces, and we're all registered Democrats.

"In their paper, you'll see 18 pictures of McBride but none of Sadowski or who we stand for. "McBride and the present union leadership have joined the company. In many local, members cannot even ratify their own contracts. The rank and file have to settle for whatever the representatives say.

"Companies have lost respect for the union as this body-buddy relationship has grown. Members as a result are losing respect for their union and we intend to change that.

"We're going to win in the ballot box as we did here in Granite City, McBride's home area for 19 years. This should tell the membership something about McBride when he can't carry his own load."

Davis said some dissatisfaction exists at Granite City Steel, related to that company's 1971 acquisition by National Steel Corp. He said Local 16 there favored McBride 25-24.

"They're trying to exploit any dissatisfaction, but they are not being accurate. At McBride's home local, which is 350 at Laclede Steel in Alton, with 2,500 members, the vote for McBride was unanimous at both meetings," Davis said.

Weinstock stressed that the Sadowski slate "offers a positive program based on union democracy and an aggressive, adversarial attitude toward companies." He alleged "smears, lies and distortions."

"It is outrageous that they have stooped to these tactics," Weinstock said. "Steelworkers must be fooled by clumsy attempts to hide the weakness of the McBride team."

"Through using the laws in this country, we can try and prevent misuse of ballots, but in Canada there are no laws to assure a fair election."

"This election should concern everyone in the entire country. We have massive unemployment and decaying cities all around us. If we uplift the steelworkers, other unions will follow."

"You hear it said that when unions get a raise, it causes more inflation. The truths that the companies raise their prices long before unions are granted a raise, and we are applying catch-up."

\$2,600 BURGLARY

The residence of Jim Foster, 2033 Fifth St., Madison, was burglarized between 3 p.m. and 10 p.m. Sunday with thieves gaining entry through a kitchen window. Items including a color television, stereo, jewelry, liquor and clothing with a combined value of \$2,600 were taken.

Pre-trial motions overruled

Motions to suppress evidence in the murder and arson trial of Robert David Richmond, 17, of 2137 Cleveland Blvd., were overruled in Madison County Circuit Court at Edwardsville Thursday by Circuit Judge William Beatty.

Defense counsel had challenged nearly every piece of evidence obtained by Granite City police. Beatty and Beatty overruled each motion to suppress Thursday after hearings on the pre-trial motions.

Man burned in trailer fire

John Henderson, 28, of Lot 50, Greenboro Trailer Court on East Chain of Rocks Road, two and one-half miles east of Mitchell, was taken to St. Elizabeth Hospital at 4 a.m. Saturday and then transferred to St. John's Mercy burn unit, St. Louis, suffering third degree burns to his hands and second degree burns to his legs, arms and face.

Mitchell firemen responded to the call at 3:30 a.m. and upon arrival found Henderson's mobile home engulfed in flames and his car burning. They were at the scene with 17 men for almost an hour.

Henderson was trying to get his car away from the burning trailer when firemen arrived, but it also had caught fire. Mitchell Fire Chief Lee Paul reported the cause of the fire is unknown. He estimated over \$7,000 damage to the trailer and over \$300 to the car.

Madison County and 48 other Illinois counties have been declared economic disaster areas due to lack of rain, the U.S. Department of Agriculture said. Small Business Administration said Thursday. The counties will be eligible for 60 percent loans for businesses harmed by the drought.

Knob-twisting burglars hit 3 more homes

Burglars who twist off door knobs to gain entry are reportedly working the Quad-City area again. Three burglaries involving the same method of operation occurred Friday, in which entry was gained or attempted by using vice-grips or a similar tool which leaves teeth marks.

At 8 p.m. Friday the residence of Ernie Tidwell, 1714 Grand Ave., was discovered ransacked with drawers pulled out and papers and containers searched. Forced entry was gained by twisting off the knob of the front door.

A Madison woman returned to her home at 8:25 a.m. in the 1700 block of Sixth Street when she saw a man and woman at her front door.

When the victim confronted the people, the woman asked "Does Mike Gibson live here?" He just moved on Sixth Street.

The woman replied that he did and the couple walked away, heading west on Sixth Street to Alton Avenue and north on Alton.

The victim then discovered the door knob had been twisted off and was lying on the porch. She went to a neighbor's house and called police.

The woman was described as white, in her early 20s with long, black hair, possibly dyed, about 5 feet 4 inches tall and wearing a dark green coat, hip length with brown fur trim on sleeves and bottom.

The man with her was described as 18 to 20 years of age with dark brown hair, about 5 feet 9 inches tall and wearing a light blue jacket.

Between 12 p.m. and 1:32 p.m. Friday, the door knob on the front door of the home of Gloria Condis, 2247 Benton Ave., was twisted off. The home was ransacked. An electric clock was unplugged and found in a sewing bag. Police believe the burglars were scared away.

During the first week in October, several similar burglaries were reported in Madison and Granite City with entry gained by similar methods.

Deputies seize 200 pounds of marijuana

Charges have been filed by Madison County sheriff's deputies against Robert L. Manningham, 36, of Canada, who allegedly was found in the parking lot of the Holiday Inn at Edwardsville Thursday in possession of about 200 pounds of marijuana.

A spokesman for the sheriff's department said the arrest was the result of information received by deputies which was based on surveillance in the parking lot.

Manningham, who was charged with possession, allegedly had 77 packages of marijuana in his possession with a street value of about \$150 per pound, or a total of about \$10,000, deputies said. The marijuana was found in the trunk of a car.

consumer products division. A. O. Smith Corporation, Kanokake.

The 1977 outlook for A. O. Smith manufacturing operations in Illinois is good. Our automotive division's Granite City plant, which makes frames for full-size passenger cars, should continue to have high levels of activity next year with increased shipments forecast in 1977.

Sales of the company's consumer products division, which makes residential and commercial water heating equipment in Kanokake, are expected to continue their upward trend in 1977 as the economy improves.

Recent reports of an upswing in housing starts contribute to a generally rosy picture. Since most of our residential water heaters are sold to the replacement market, this business is enhanced by housing construction, but not totally dependent upon it.

Our new line of energy-saving water heaters has been well received and shipments are expected to increase in 1977.

A. O. Smith's Harvestore Products Inc., the company's livestock feed processing system subsidiary, has plants in DeKalb and Eureka.

Harvestore's improved sales picture of 1976 is expected to brighten even more in 1977, given the increased profitability of the livestock farmer which has been forecast.

Amos E. Burtell, president, Crown Industrial Products Co., hardware and state Chamber of Commerce chairman of the board.

"While our industry has a fair amount of autonomy, amount of legislative issues have a great deal to do with the economic outlook for 1977."

If the conservative policies of the Ford administration are carried through and leave additional conservative legislation on the state level, I believe we will see a healthy stagnation of the growth of 1977, with very little inflationary pressures on prices.

However, if we have liberal-oriented leaders on the state and national level, we can expect to see price pressures for both labor and material continue to escalate.

In the short term, this might mean the first and second quarter of 1977 look good, but there would be a great deal of inflation which would lead to a fourth quarter falling off and a significant downturn in 1978.

Richard E. Johnson, executive director, House Savings and Loan Association, Galesburg:

The year 1977 should see a continuation of the gradual improvement in housing starts begun in 1976.

By the end of 1977, we anticipate the new housing starts on an annualized rate to be 1.76 million units, a 10 per cent increase over 1976.

One of the factors encouraging new housing starts would be an ample supply of mortgage money. Rates are basically equal to those offered in 1976. Our projections for mortgage rates range from 8.47 in the first quarter of 1977 to 10.10 per cent in the last quarter of 1977.

Mortgage credit demand will remain strong throughout the period and ample funds will be readily available, fed by a slight increase in the already favorable rate of personal savings.

Our forecast calls for a slightly lower annualized rate of inflation for 1977. This, combined with stable mortgage rates, ample supply of money and an increasing rate of new housing starts, points toward an excellent year for the Illinois home buyer as well as the savings and loan industry itself.

Carl E. Sudler, president, Sundstrand Corp., Rockford:

There are no serious signs of a slowdown in the economy. Obviously, a serious downturn could have an unfavorable impact on our year ahead.

At this moment, we are expecting the economy will at least hold level or inch upward with the business levels that will be strong.

David E. Connor, president, Commercial National Bank of Peoria:

Although the industry has been saying it for years, 1977 is probably going to be the year of decision for Illinois' banking industry, insofar as the structure of the system is concerned.

From the standpoint of both the state and national banking scenes — because of the rapid branching of non-banking financial intermediaries and because of the multitude of questions being raised by electronic banking — the state legislature in 1977 will probably be the arena for one of the most important discussions about the future of banking in this century.

The vitality of the growth curve of Illinois' business will be profoundly affected by the

Our new line of energy-saving water heaters has been well received and shipments are expected to increase in 1977.

A. O. Smith's Harvestore Products Inc., the company's livestock feed processing system subsidiary, has plants in DeKalb and Eureka.

Harvestore's improved sales picture of 1976 is expected to brighten even more in 1977, given the increased profitability of the livestock farmer which has been forecast.

Amos E. Burtell, president, Crown Industrial Products Co., hardware and state Chamber of Commerce chairman of the board.

"While our industry has a fair amount of autonomy, amount of legislative issues have a great deal to do with the economic outlook for 1977."

If the conservative policies of the Ford administration are carried through and leave additional conservative legislation on the state level, I believe we will see a healthy stagnation of the growth of 1977, with very little inflationary pressures on prices.

However, if we have liberal-oriented leaders on the state and national level, we can expect to see price pressures for both labor and material continue to escalate.

In the short term, this might mean the first and second quarter of 1977 look good, but there would be a great deal of inflation which would lead to a fourth quarter falling off and a significant downturn in 1978.

Richard E. Johnson, executive director, House Savings and Loan Association, Galesburg:

The year 1977 should see a continuation of the gradual improvement in housing starts begun in 1976.

By the end of 1977, we anticipate the new housing starts on an annualized rate to be 1.76 million units, a 10 per cent increase over 1976.

One of the factors encouraging new housing starts would be an ample supply of mortgage money. Rates are basically equal to those offered in 1976. Our projections for mortgage rates range from 8.47 in the first quarter of 1977 to 10.10 per cent in the last quarter of 1977.

Mortgage credit demand will remain strong throughout the period and ample funds will be readily available, fed by a slight increase in the already favorable rate of personal savings.

Our forecast calls for a slightly lower annualized rate of inflation for 1977. This, combined with stable mortgage rates, ample supply of money and an increasing rate of new housing starts, points toward an excellent year for the Illinois home buyer as well as the savings and loan industry itself.

Carl E. Sudler, president, Sundstrand Corp., Rockford:

There are no serious signs of a slowdown in the economy. Obviously, a serious downturn could have an unfavorable impact on our year ahead.

At this moment, we are expecting the economy will at least hold level or inch upward with the business levels that will be strong.

David E. Connor, president, Commercial National Bank of Peoria:

Although the industry has been saying it for years, 1977 is probably going to be the year of decision for Illinois' banking industry, insofar as the structure of the system is concerned.

From the standpoint of both the state and national banking scenes — because of the rapid branching of non-banking financial intermediaries and because of the multitude of questions being raised by electronic banking — the state legislature in 1977 will probably be the arena for one of the most important discussions about the future of banking in this century.

The vitality of the growth curve of Illinois' business will be profoundly affected by the

consumer products division. A. O. Smith Corporation, Kanokake.

The 1977 outlook for A. O. Smith manufacturing operations in Illinois is good. Our automotive division's Granite City plant, which makes frames for full-size passenger cars, should continue to have high levels of activity next year with increased shipments forecast in 1977.

Sales of the company's consumer products division, which makes residential and commercial water heating equipment in Kanokake, are expected to continue their upward trend in 1977 as the economy improves.

Recent reports of an upswing in housing starts contribute to a generally rosy picture. Since most of our residential water heaters are sold to the replacement market, this business is enhanced by housing construction, but not totally dependent upon it.

Our new line of energy-saving water heaters has been well received and shipments are expected to increase in 1977.

There is no charge for the training but persons should register in advance.

Emergency room service unnecessary for many

Of all the people treated in the emergency room at St. Elizabeth Hospital, 40 per cent do not need emergency room service, but could go to their own physicians, according to hospital authorities.

Mrs. Jinny Teutken, director of public relations, and Jack Grievens, personnel director, both at St. Elizabeth Hospital, were the guest speakers at the Breakfast Kiwanis club meeting Thursday in Charlie's Restaurant.

They commented that many people complain over the time spent in the emergency room, and explained that many delays are caused by the fact the hospital staff must treat the most critical patients first.

It also was noted that unless it is an extreme emergency, the hospital staff can not treat the patient until they have contacted the patient's family physician.

Cost of operating the emergency room at the hospital is \$700,000 a year, according to the speakers.

Over 30,000 patients yearly are treated in the emergency room, they said.

The local hospital has a staff of over 1,000 and a budget of \$18 million yearly. It is a 400-bed hospital with a 95 per cent occupancy rate. An average of 18 per cent of the patients never

Driver charged

Earl Browning, 53, of 1918 Fourth St., Madison, was admitted to St. Elizabeth Hospital for observation suffering pain to the head and back at 6 p.m. Wednesday.

Browning's car allegedly hit a parked auto at 1615 Fourth St., Madison. He was given a traffic citation for operating in violation of restrictions and was charged with driving under the influence of liquor or drugs and careless driving. A court appearance on Wednesday, Dec. 15, has been set.

1 million auto plates mailed

Secretary of State Michael J. Howlett said Thursday that 1,112,614 Illinois 1977 passenger plates have been mailed. These figures compare to 618,000 sent out at a comparable date last year.

"This total represents 97 per cent of reassignment applications and requests," Howlett said. "Our office expects to have all requests received by the Sept. 30 deadline mailed by the end of this month."

While motorists are waiting to put next year's plates on cars, starting Dec. 1, the record purchases of 1976 plates continue.

So far, 5,603,427 passenger plates have been purchased this year, an increase of 356,059 over 1975.

Steelers add Cahokia to basketball schedule

GCIS North's Steelers basketball schedule for the 1976-77 season has only two revisions from last season. The 18-game schedule starts Friday at home at Belleville East.

The Steelers, with William "Bill" Chiodetti starting his fourth season as coach, have retained both the Illinois State League at Normal and the Belleville East tournaments, but have changed two opponents.

Deleted from this year's card are Springfield Griffin and Springfield Southeast. Alton and Cahokia have been added.

Junior varsity contests are held at 6:30 p.m., followed by varsity action at 8 p.m.

The equity in your house is like money in your pocket.

Equity is the difference between how much your home is worth, and what you owe on it.

It's a valuable asset you can use to back a really big loan. For whatever you have in mind.

Real-estate values are up, up, up.

So the house you bought just a few years ago probably would sell for a lot more than you paid.

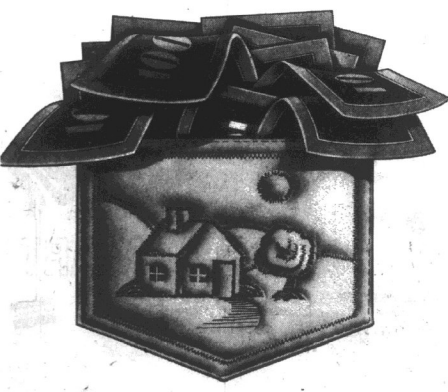

Which means your equity is bigger. And the bigger your equity, the more

you can borrow in a large real-estate loan. Right here. Right now.

Maybe the money you're looking for is already in the house.

1976 WARRIOR BASKETBALL TEAM. Under newly-assigned Coach Don Deterding, the Granite City South varsity cagers will start their 1976 season Friday in the Red Hill High School tournament at Bridgeport, Ill. In addition to 18 regular season games, the Warriors will participate in the Kankakee holiday tournament Dec. 27-29. In

Band, Steel City Belles, North guard ready for basketball season

The Granite City High School North band has developed a new concept in halftime presentations for basketball games to be premiered Friday, Nov. 26, at the North Steelers' first basketball game vs. Belleville East.

The band, in conjunction with the "Steel City Belles" pep squad and "North Guard" flag and rifle squad will combine efforts in a halftime spectacular. The 45-member pep band and 36 uniformed members of the combined squads will present a six-minute exhibition marching and specialty routine to the music of "Variations on a Patriotic Theme."

"I believe this type of show set to music is a new concept in basketball halftime entertainment. We're excited about doing the show and expect a strong audience appeal with this new format," Director Robert D. Todoroff said.

"We expect to repeat this show again during the halftime of the Wood River game on Dec. 3. "Another show of the same type is being prepared now for showing at two future basketball games this season," he added.

The remainder of four scheduled North home games will feature the pep band and Steel City Belles pep squad, as has been traditional during the years since North High opened in the fall of 1973.

Leadership of the three squads is under the direction of Karen Davis and Pat Fyalka, assisted by Cathy Messina, pep pon. Fran Litzelman and Mary Ann Simmons, flags; and Lisa Mitchell, assisted by Rondice Wadlow, rifles.

The three squads, with a combined membership of 44 students, are members of the band department under the direction of Todoroff. In addition to basketball halftimes,

they perform regularly as members of "the marching band from Steel Land" at pep rallies, parades and other community functions throughout the year.

Legion meet begins

Second-round competition in the Illinois American Legion bowling tournament will begin at 12:30 p.m. Saturday at Brunswick Tri-Mor Bowl, 3701 Nameoki Road, with about 30 teams and 150 individual bowlers vying for honors.

Granite City Mayor Paul Schuler opened the action Saturday by rolling the first ball toward the pins during pre-tournament ceremonies.

Charles Hitchcock, commander of host American Legion Post 113, said teams and individuals entered will bowl one weekend only during the four-week event.

Competition is to start at

12:30 p.m. on each of the next three Saturdays and at 9 a.m. on the next three Sundays.

Entered are five-man and five-woman teams, mixed teams, two-man and two-woman teams, man-woman teams and individuals.

Out-of-town competitors received trophies for their winning efforts during the weekend.

They were: Team—Post 755 of Mateno with a total score in three games of 2,876; doubles—R. Modro and D. Laible of Lacon Post 383 with a 1,314 score; singles—A. Neubauer of Chicago Post 985 with a 679 score.

Soccer Steelers honored

About 200 Soccer Steelers fans were present Thursday night in the GCIS North cafeteria to see Coach Robert Kehoe and Assistant Coach David Ames honor the 1976 team for its 14-4-4 season.

Heading the list of three players announced as most valuable player was four-year letterman Steve Szeeles, a senior, who scored two goals for the Steelers and assisted in scoring four others.

Ballooning by team members also resulted in Bob Yount and Tony Cardin receiving similar awards.

Szeeles was named to the official 1976 all-state team.

Special coaches' citations were presented to Eric Thornburg and Goalkeeper Mike Hill. Hill was recognized for having allowed only 16 goals.

The Steelers' bid for the sectional championship this season was thwarted by a 2-1 loss in Collinsville, a team North had tied on two previous occasions.

Since opening its doors for the first time in 1973, North High has produced a winning soccer team under Kehoe each season and qualified for the state tourney in 1974.

The Steelers had a 15-3-1 record in 1973, 20-4 in 1974 and a 12-10-3 mark last year.

Greve added to coaching staff

Paul Greve has been named an assistant wrestling coach at Collidge Junior High School, where the 64 athletes who turned out for the sport were more than the wrestling staff could adequately supervise.

B. M. Davis, Granite City superintendent of schools, said he is pleased with the turnouts at all the junior high schools, noting that many are developing skills which can be translated into continued high school wrestling success at both high schools.

He told the school board last week that either another assistant coach would be necessary at Collidge or the number of wrestlers would have to be trimmed. The board voted unanimously to name Greve to the coaching staff.

The board also appointed

Terry Papa as girls' bowling coach at Granite City High School North.

Fall Warrior banquet tonight

GCIS South will hold its fall sports award banquet this evening at six o'clock in the school's cafeteria, honoring Warrior soccer, football, cross-country and golf teams.

Roger Smith, athletic coordinator, said persons planning to attend the awards presentation portion at 7 tonight need not purchase tickets, but that anyone participating in both the banquet and award ceremonies will be required to purchase a ticket at a cost of \$2.25 per person.

Tickets are available at the cafeteria door.

Steeler football awards tomorrow

Coach Tom Wyrostek's Steeler eleven will be honored tomorrow at 6:30 p.m. at a GCIS North award banquet in the North cafeteria.

The Steeler football squad finished the 1976 season with a 7-2 record, losing only to St. Louis DeSmet and GCIS South.

Bryan Wilkinson, the school's athletic coordinator, reports that the public is invited to attend at a cost of \$2 per person or \$6 per family. Tickets will be available at the cafeteria door.

Basketball Devils open at St. Paul

Venice High School's Red Devils cagers open their 1976-77 basketball season on the road tomorrow at St. Paul of Highland in an 8 p.m. contest which should give Coach Richard Essington an idea of any adjustments that may be needed in the player lineup.

Entering the season with an eight three-year coaching record, Essington has three experienced players to lead the squad into action.

They are Senior Larrick Arnold, 6-0, Junior Ricky Salmond, 5-11, and Sophomore Ronald Salmond, 6-4. All were members of last year's squad, which posted a 24-2 record.

Venice High Principal John Rush said the remainder of the team is comprised of freshman and sophomore players.

Essington guided the Red

Devils in the Class A state championship to conclude the 1974-75 season.

After tomorrow's contest at St. Paul, Venice will not see action again until Dec. 3 when the Red Devils host Madison High.

West, Roxana lose

Hopes of an area team earning a state high school football championship ended Saturday when both Belleville West and Roxana were defeated in semifinal competition.

West's Maroons finished the season with an 11-1 record after losing 13-10 to Glenbard West in Class 5A action.

Roxana's Shells, now 10-2, were eliminated by a 13-6 loss to defending Class 3A state champion Metamora. It was Metamora's 30th straight win over a three-season period.

SEASON OPENER TOMORROW. Madison high School's basketball campaign opens Tuesday night on the road against Southwest High of St. Louis. The 1976-77 schedule includes two

tournaments. The varsity team, coached by Larry Graham, includes (from the left) James Heard, Ron Williams, Ken Stanley, Eric Stanley, Lloyd Williams, Clayton Harris, Randall Jones, Rodney

Davis, Lawrence London, Kenny Boyd, Rodney Crochrell, Anthony King and Sylvester Collins.

Trojan five again likely to be strong

Coach Larry Graham and the Madison High School Trojans open their 1976-77 cage season at St. Louis' Southwest High School tomorrow, starting what could be another successful season.

Last season, Madison posted a 25-3 record which included 17 straight wins. MHS defeated Venice 70-63 in a Class A regional title game before bowing 73-72 to Lebanon in sectional competition.

In seven years, Graham's Trojan teams have compiled a 168-45 win-loss record.

Graham views the upcoming season as providing tough competition, especially with Venice, Lebanon, Eldorado, St. Louis Northwest, Quincy Notre Dame and Livingston.

"Believe what you want," said Graham, "but playing Venice next month could decide which of will get past the regional play, providing that tradition holds true to form."

He recalls that, in past seasons, the team which won the regular season contest between Madison and Venice has gone on to reach the regional finals but then has lost in the title game to the neighboring team.

"Lebanon will have potentially the best team ever in Class A competition, returning four starters from last year's squad."

"And Eldorado has been ranked number one in the state for the past two years. It hasn't lost a home game in two years."

The Trojans play at Eldorado on Jan. 14.

Madison has never beaten Northwest in St. Louis. Notre Dame is expected to again be ranked in the state's top ten.

"Livingston," adds Graham, "returns all starters from last season when they won 20 games."

With Senior Randall Jones, 6-5, 175 pounds, leading the Trojan attack, Graham expects Madison's under-the-basket action to again produce many points on the scoreboard.

Last season, Randall Jones and his brother, Ron, teamed for 504 of Madison's 904 points.

"Of course, Ron has since graduated, along with Dan Honkhead, who was good at feeding the ball inside," Graham commented.

Madison may have to depend a bit more this season on outside shooting.

Rodney Davis, 6-3, is expected to play center.

Filling guard spots may be difficult since the three players vying for that position are about equally experienced.

They are: Senior Ron Williams, 6-2, junior Anthony King, 5-8, and senior Rodney Crochrell, 5-11.

"The performance from our guards will be a key test as to how well the progress," the coach said.

"We'll certainly miss Ron Jones, Curtis Bradley and Anthony Canada, who provided inside defense which forced turnovers."

"Davis is a skilled rebounder,

DIVISION CONTENDER. This Granite City Little Rascals Football Club Midget Division team finished the 1976 season with a 4-4-1 record, second best in the Tri-County Junior Football Conference. Players in the front row, from the left, are John Linhart, Carl Luehmann, Doug and Rick Patrick, John Luehmann, Brian Patrick, Rodger Robinson, Paul Weil, Steve Dumont, Jeff Gibbs and Eric

Marcus. Standing, left to right, are Ed Wilkinson, Dan Harris, Tim Cavin, Glen Bennett, Troy McIlroy, Mike Orasko, Mike Bunjan, Jeff Patrick, Dave Hauptman, Tod Angle, John Coury, Tim Nolan, Bill Papa, Dave Brown, Vince Fisher and Ken Portell. Behind the team are Coaches Bob Patrick (center) and Al Cavin (right). Team members not pictured are Don Kaltmayer and Glenn Thompson.

WE DON'T ORDINARILY REMEMBER DAYS...

We remember... moments. Good and bad moments of our lives. But on this Thanksgiving Day... let's make this a memorable day. A whole day filling our hearts with thanks for all the good things that have come our way in the past year. Let's remember this as the day we started building a better life of thanks... AND giving.

Church marks 75 years

Members of the Central Christian Church (Disciples of Christ) in Granite City joined Sunday to mark the 75th anniversary of the church.

About 300 members, ex-members and friends of the church met from 9 a.m. to 4 p.m. in a day-long celebration of the event.

The local church traces its beginnings to 1901, when a meeting was held in a tent under the Merchant's Bridge approach in Venice, after which meetings were held in North Venice homes of the members and later in a school building in Madison. It was in 1905 when the

group established a definite meeting place in Rosenberg Hall at 19th and State Streets.

In 1906, the Niedringhaus trustees gave the church a lot at 22nd and State Streets. In December of that year, a new church was dedicated on that site.

In the early 1930s, church membership split into two separate congregations. However, in 1948, the two congregations again became one on Dec. 5.

Groundbreaking for the present church at 2020 Johnson Road was held Sept. 11, 1955, and the first unit of the new

building was dedicated June 17, 1956.

The Rev. V. Dennis Rutledge, who joined the church as its minister in August 1975, announced that a goal of \$2,000 from a "75 talents" contribution program was met and exceeded by \$476. Members of the congregation had been asked to give 75 cents in observance of the church's anniversary, or currency in any denomination.

A hymn written by Rev. Harrison, "Our Father, Thou Almighty God," was sung by the congregation. Following a luncheon, recognition was given to church members who had membership of 50 years or longer. Special recognition was accorded Lelan Garner, a member since 1909. Others honored were Lee

McClell, Ruby Nicols, Bruce Teaney, Blanche Lane, Stella Ritchie, Alice King, Eustella Breckenridge, Florence Gilbert, Mildred Rose, Peggy Gibbons, Thelma Miller, Eyal Miller, Nellie Roseman, Arthur Roseman, Wayne Mosby, Margaret Butler, Emma Gobble, Howard Gauen, Kenneth Gauen, Ella Gray, Lydia Nelson, Melvin Gray, Helen Harrison, Ivan Harrison and Millie Vogeler.

Surprise awards were given to Mrs. Emma Lou Stearns for her work in the nursery, and to Joe Hanson for his work with the choir.

Entertainment in the afternoon consisted of movies and slides taken during the past 35 years of class meetings and activities involving church

The day concluded with vespers services by the Chi Rho group under the leadership of Mr. and Mrs. Warren Collins.

75TH ANNIVERSARY. Mr. and Mrs. Lelan A. Garner, longtime members of the Central Christian Church congregation, are shown at Sunday's celebration of the 75th anniversary of the church, along with a member of the younger set, Jamie Leggett. In the back row, left to right are the Rev. Dennis Rutledge, Mrs. Doris Edwards, general chairman of the celebration and Russell Harrison, chairman of the "75 talents program."

Miss Vera Arbogast dies

Miss Vera Arbogast, 57, of 2205 Benton Ave., Apt. A, was announced dead at her home by Deputy Coroner William Nierberg at 12:45 p.m. Friday.

Her neighbor, who had not seen Miss Arbogast for several days, had the apartment manager unlock her door but they found the chain lock inside was attached.

Police were called and cut the chain lock.

Miss Arbogast was found lying fully dressed on her bed, with no signs of life. She had died that death was due to

natural causes. Born in Granite City, Miss Arbogast was a professional musician who played the organ. She was a member of St. Peter's United Church of Christ and belonged to Musicians Local 2-197 of St. Louis.

She is survived by four cousins: Arnold Arbogast and Mrs. Ed (Virginia) McLeister, both of Granite City; Wilbert Arbogast of Tacoma, Ga., and Mrs. Melvin (Irene) Williams of Columbia, Ill.

Funeral arrangements are given in the obituary column.

Calvin Lazenby, 76, dies

Calvin B. Lazenby, 76, of 2807 Duxton Ave., died at 7:30 p.m. Thursday at the Maryville (Ill.) Colonial Nursing Home, where he had resided since December 1975.

Born in Sorento, Ill., he resided in Granite City 53 years. Mr. Lazenby was employed as a switchman at the G&O Railroad from 1941 until he retired nine years ago.

Survivors include his wife, Mrs. Myrtle May Lazenby; one

son, Calvin B. Lazenby Jr., owner and operator of the Lazenby Photography Studio, and one daughter, Mrs. Paul (Betty) Welsh, both of Granite City; one brother, John Lazenby of Litchfield, Ill.; a sister, Mrs. Charles (Willie) Dennis of Bard, Calif.; three granddaughters and one great-granddaughter.

Services were held Saturday. Details are given in the obituary column.

Infant Shannon Kubelka dies

Shannon Kubelka, 1-year-old daughter of Mr. and Mrs. Joseph (Phyllis) Kubelka, 726 Ashland Ave., Mitchell, was taken from her home by ambulance to St. Elizabeth Hospital where she was pronounced dead upon arrival at 10:07 p.m. Thursday.

She was born with a heart ailment, according to the family. She was born in Granite City and was a member of St. Elizabeth Catholic Church.

Other survivors include two sisters, Caryn and Caryl Kubelka, both at home; grandparents, Mr. and Mrs. Francis (Caryl) Spellman of Blue Springs, Mo., and Mr. and Mrs. Joseph (Josephine) Kubelka of Madison and great-grandparents, Mr. and Mrs. Francis Spellman Sr., of Verona, Wis.

Services were held today. Details are given in the obituary column.

Mrs. Blake dies in hospital

Mrs. Florence (Raeber) Blake, 71, of 2428 Grand Ave., died Saturday at 12:15 a.m. Saturday in Firmin Desloge hospital, St. Louis, where she had been a patient one day. She was stricken with a heart attack

suddenly at home. Born in Highland, Ill., she had lived here since 1950. Mrs. Blake was a member of Sacred Heart Roman Catholic Church.

She is survived by her husband, Jule C. Blake of Granite City; one son, Jule Blake of Fort Bragg, N.C., and two grandchildren.

Funeral arrangements are given in the obituary column.

Mrs. Bowers dies at 71

Mrs. Leona (Spaeth) Bowers, 71, of Alton, formerly of Granite City, died Friday at St. Anthony's Hospital, Alton. She had been ill eight weeks.

Her husband, Clyde Bowers, preceded her in death. Survivors include two sons, William Bowers of Bakersfield, Calif., and Daniel Bowers, Boulder, Colo.; a daughter, Mrs. Patricia Rogers of Walnut Creek, Calif.; two sisters, Mrs. Viola Strunk of Granite City and Mrs. Shirley Hummel of St. Louis; and five grandchildren.

Funeral services were held today at St. Ambrose Catholic Church, Godfrey, with burial in Patrick's Cemetery, Godfrey.

CHRISTIAN SCIENTISTS SERVICES THURSDAY Services at the First Church of Christ Scientist, 2560 Delmar Ave., at 10:45 a.m. Thursday will include the Thanksgiving proclamation of President Gerald Ford, according to a church spokesman.

He added the first reader will be Sidney Strobel and the second reader is Mrs. Edith Ryan. They will conduct the worship service, which also includes testimonies of gratitude by Christian Scientists appropriate for the occasion. Residents are invited to attend.

Ok permit for medical office

Despite a petition and two persons testifying against the request, the Granite City Plan Commission voted Thursday afternoon to grant a special use permit to Dr. F. B. Dionea to establish a medical office at 2819 Madison Ave., which is in an R-3 single-family residential district.

Two neighbors spoke against granting the permit, contending the office might devalue property values of adjoining homes on Grand Avenue, would increase traffic and trash in the alley, and might be the target of vandalism and burglaries, being close to Granite City High School South.

One neighbor questioned why the house had been advertised in real estate columns as commercial when it actually is zoned residential. The board agreed to investigate the question.

Dr. Dionea said he will backstop the rear yard to provide parking for 12 to 14 automobiles and would have access from Madison Avenue, rather than the alley. There would be no major changes to the exterior of the house, he said.

A change in zoning from R-3 to R-5 residential was granted to the Fraternal Order of Eagles for a parking lot at 2581 Iowa St.

The first request, for C-1 commercial zoning, was denied, but the amended request, for the R-3 zoning, was approved.

Stipulations were that lighting be improved and that the lot be backstopped and fenced.

One neighbor objected, contending the parking lot could decrease property values and allow trash and debris to collect.

The board also recommended a special use permit for John Hadley to establish a Lavastone Co. business at 2047 Edison Ave. Hadley explained the business will sell stone fireplaces and some light manufacturing will be necessary to mix concrete for the tops of the fireplaces. No loud noises will result, he said.

The business, presently located in Hamlet, Ill., employs three persons. There were no objections to the request for the permit.

The board denied a request by Leon Scroggins for a C-1 commercial classification at 2812 Madison Ave. for a law office, but granted him a special use permit.

Scroggins said he opened the practice at this address under the impression he was operating under a special use permit obtained by the real estate agency formerly at that address.

He said he recently was informed he must reapply and decided to seek the C-1 classification on other rooms in the house can be leased to other persons for offices.

There were no objections, but the commission voted to deny the rezoning request, granting instead a special use permit for Scroggins only to practice at that address.

A request by Mrs. Rhonda Mazzarella for a C-1 classification to operate a beauty shop at 2908 Roosevelt

Ave. was denied by the board which noted such spot zoning is illegal and added that a special use permit could only be granted for property on a four-lane highway. There was one objection.

Thursday's Plan Commission meeting followed a brief meeting of the city's Board of Appeals during which two requests were granted. Al Barnes, 3029 Dale Ave., was given approval for constructing a carport one foot from his side property line, and Lawrence Madden, 3121 Princeton, was granted the board's recommendation for a room addition five feet from his rear property line.

There were no objections to either request.

The recommendations of both the Plan Commission and Board of Appeals will be considered by the Granite City Council tomorrow night. The City Council has the authority to approve or override the actions of either group.

HITS SIGN, TREE

Robert L. Gray, 23, of 2130 Cleveland Blvd., declined treatment at St. Elizabeth Hospital and was released by Granite City police after posting \$125 cash bail. He faces traffic charges of driving with a suspended license and reckless driving after allegedly hitting an Illinois state highway sign and a tree in the 2400 block of Missouri Avenue.

Open house is Tuesday

Specialized Services, Inc. workshop for the handicapped will hold an open house in its new facility at 2118 Grand Ave., Tuesday, from 1 p.m. to 8 p.m.

The public is invited to tour the workshop which serves approximately 100 handicapped persons from the southern part of Madison County. Refreshments will be served.

Arrest juveniles hiding in home

Two 15-year-old boys were arrested at 3:30 p.m. Sunday hiding in the basement of the home of Associate Judge Robert Francis, 3244 Erin Drive, after a neighbor reported seeing two youths entering the home through the rear patio door.

Police found the front door unlocked and searched the house, finding the two hiding in a laundry room. They noted several dressers in the bedrooms had been searched and several items were scattered on the floor. There were no signs of forced entry.

A set of keys to the house and a white-gold woman's identification bracelet were found in the possession of one of the juveniles.

The boys were released to their parents pending possible juvenile court action. Judge Francis is to conduct an inventory to determine if anything was stolen or disturbed.

Surrenders on 4 charges after accident here

Kenneth Vagner, St. Louis, surrendered himself at the Granite City police station at 4 p.m. Sunday and said he knew he was being sought after a hit and run traffic accident Saturday evening.

It is alleged an auto struck the rear of the stopped auto of Jimmy Pagan Sr., 2335 Edwards St., on Nameoki Road at the entrance to Belleme Village Shopping Center at 5:10 p.m. Saturday, and the car then drove south in Madison Avenue where three young girls got out of the car and several bottles of beer were thrown out.

A witness said the car then continued south and turned left on Route 162. Vagner called police Saturday night, saying he would come into the police station, officers said, but did not come in until Sunday afternoon, after police had made attempts to identify the owner of the car.

Vagner was charged with leaving the scene of an accident, following too closely, reckless driving, and illegal transportation of liquor.

\$31,300 fire damage

Fire gutted the home of Betty Boyle, 2105 Lynch Ave., early Friday and damaged the house next door and two cars in the driveway between the houses.

Firemen first were called to the fire at 3:45 a.m. Friday and found the fire had started in the northeast corner of the frame house and had spread rapidly to the entire structure.

They fought the blaze for three hours and 15 minutes, but were unable to keep the roof from collapsing. The interior was destroyed by flames.

Damage to the Boyle home was estimated at \$20,000 while another \$7,500 damage to its contents.

Heat from the fire started the siding at the home of David Welborn, 2113 Lynch Ave., on fire and those flames spread through a window to the interior of the home. Damage there was estimated at \$5,000 to the building and about \$500 to the contents.

Two cars parked between the houses were singed with the total damage to the vehicles estimated at \$800.

Either an electrical short-circuit or an accidentally dropped match or cigarette are suspected as possible causes for the fire starting.

Public hearing on development plan Nov. 30

Madison County officials have announced that a public hearing on the 1977 Community Development program will be held Nov. 30, at 7:30 p.m. in the Board Room of the Madison County Courthouse.

Purpose of the public hearing is to secure citizen suggestions for potential projects to be proposed as part of the Madison County Community Development grant application.

The hearing will afford every citizen in attendance an opportunity to be heard and to make known his ideas for projects in his particular area or locality. All citizens' comments will be considered and all questions answered.

KIRKPATRICK THEFT

A wallet containing about \$300 cash and \$225 in food stamps was stolen from on top of the television in the apartment of Loretta Brooks, 4701 Kirkpatrick Homes, the victim discovered at 12:05 p.m. Thursday. She said the wallet must have been taken while she was asleep. The door lock was damaged in a previous burglary attempt, so there were no new signs of forced entry.

VENICE CAREER DAY

Sonya Barker, a licensed practical nurse at St. Elizabeth Hospital, shares specifics concerning her field with those attending the Venice High School 1976 career day (lower photo). Stanley Howlett (upper photo) of Granite City Steel makes himself "at home" as he discusses industrial production with Venice High students.

FALLS FROM CAR

Curtis Beatty, 16, of 2712 Angela Drive, was admitted to St. Elizabeth Hospital last week after falling from a moving car. He suffered abrasions to his right foot and both hands and deep abrasions to his right heel.

VANDALIZE BUILDING

Toilets were stuffed, two bathrooms were flooded, obscene words were written on the mirrors and all the fuses were removed from a building at 1837 State St. between 5 p.m. and 5:55 p.m. Sunday. The building is owned by Earl Wright and contains several apartments. Only the hallway and bathrooms were entered and it is not believed entry to the apartments was attempted. Nothing is known missing.

St. John Lutheran services

Thanksgiving Day services at St. John Lutheran Church, St. Clair and Dale avenues, this Thursday, will be bi-centennial-orientated. Worship will begin at 9 a.m. Following the Thanksgiving message, which will highlight how God has blessed America, members of the congregation will be invited to bring canned goods, staples, and other foods to a "Thanksgiving table for the needy," which will be set up in front of the church chancel, according to the Rev. Samuel Roda.

Foods gathered between now and Christmas week will be used to prepare ten or more Christmas baskets for families in special need in our area. Serving as organist will be Mrs. Lydia Roda, with the Rev. Roda, delivering the pulpit message.

The following Sunday, the

first in Advent, will be observed as a "World Hunger Sunday," at which time a year-long drive for funds to relieve the world's hungry will begin. Sunday's worship will begin at 10 a.m. with Sunday school at 9 a.m. The public is invited to both these services. Rev. Roda added.

Mrs. Mae Martin of Chouteau Avenue is a patient at Christian North East Hospital for surgery. She was formerly an employee at the Fifteen Acres restaurant.

+++
The Hills Terrace Birthday Club met Thursday at the home of Jiri Schieb, 4299 Mueller Ave. Prizes in games went to Gal Davis, Arlene Hickman and Jiri Schieb.

The birthdays of Arlene Hickman and Wanda Ogden were celebrated. Besides those mentioned, Florence Penrod was present.

The next meeting, at the home of Janita Barnes, will be a Christmas party with an exchange of gifts.

+++
RAYMONDS TO OBSERVE GOLDEN ANNIVERSARY
Mr. and Mrs. Harold Raymond of Chouteau Avenue will celebrate their golden wedding anniversary Sunday, Nov. 28, from 2 to 5 p.m. at the home of their son-in-law and daughter, Lester and Theresa Morgan, 616 Fleming Place, Mitchell, with an open house given by their daughters.

Navy Mothers plan annual yule party

The Quad-City Navy Mothers, Chapter 850, met at the VFW Hall Thursday night and discussed tentative plans for a Christmas party.

Mrs. Stella Miller, first vice commander, presided at the meeting. She welcomed 20 new members and guests, Barbara Rogers.

Plans were finalized to send six members to a Christmas party at the VFW Hall, 11th and Adams, on Friday evening at Fischer's Restaurant, Belleville, to discuss arrangements for the 1977 convention of the area organizations.

Mrs. Dorothy Flowers, secretary, presented the report of the last year's business session. A business session will be held on Dec. 2 at a luncheon.

Mexican Commission to elect officers

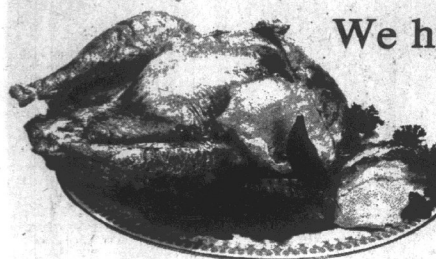

The Mexican Honorary Commission will hold an election of officers at the Sunday, Dec. 5, meeting to be conducted at the organization's club house, 1801 Spruce St., according to Bob Robles, the current president.

Plans will be discussed for the club's annual Christmas party and the New Year eve dance with chairman Rufus Valencia. Donald Valencia, chairman of the Christmas basket project, requests all members bring canned goods to the Dec. 5 meeting to convene at 2 p.m.

YOUTHS DONATE BLOOD. Students of Granite City High Schools North and South donated a total of 250 pints of blood to the American Red Cross. The project, a first for the area, was sponsored by the Student Councils of the schools. North students giving blood and working at the blood bank are, in the background, Larry Miller, standing, and Tom Gray, on table. In the foreground are Linda Morrison, left, standing, and Jeff Sherman on table.

Rites held for Wm. Thorp, 62

William Coleman Thorp, 62, formerly of Granite City, died Thursday in Bayonne, N.J. He had been ill more than one year with cancer. Mr. Thorp resided with his son and daughter-in-law, William and Beverly Ann Thorp, since moving from Granite City in May. He was a lifelong Granite City resident and resided in the 4000 block of Braden Avenue. He was employed 29 years by Granite City Steel. Also surviving are his grandchildren, Michael Brian Thorp and Melissa Ann Thorp, both of Bayonne, and several nieces and nephews. Funeral services and burial took place in Bayonne Saturday morning.

Messages on U.S. economy sent by firm

Granite City Steel, along with other members of the Civic Progress, Inc., and the St. Louis Regional Commerce and Growth Association, has begun sending a series of economic messages to employees. The messages have been developed in an effort to "correct widely held misconceptions about the U.S. economic system," a spokesman said. At Granite City Steel, the messages will appear in the company newspaper, The Mill, and on bulletin boards and will also be carried on the company's new telephone message service, Direct Line.

Messages on U.S. economy sent by firm

The St. Louis metropolitan area program, one of the largest economic education projects undertaken in a single city, was developed by the American Economic Foundation, New York, under the sponsorship of Civic Progress, Inc. Robert D. McBride, Granite City Steel president, said: "Most Americans believe that company profits are about 30 to 40 cents for each dollar of sales. The actual fact is that the average for U.S. businesses in 1975 was 4.2 cents and at National Steel it was 2.8 cents. Even fewer people realize how much investment capital it takes to create a job for someone. The average for American companies is \$28,000. 'With so many people these days talking about jobs and prices and inflation, I think it's important that we present them with basic facts they can use to interpret the progress of our economy. That's why we have joined other area companies in this program.' Information materials used in the St. Louis area were developed by the American Economic Foundation working in cooperation with a committee headed by John W. Hanley, chairman of the board and president of Monsanto Co. Also on the committee were men from Ralston Purina Co., the St. Louis First National Bank and Emerson Electric Co. Related information will be offered to the general public.

MR. AND MRS. STEVEN M. JONES who were united in marriage at the Pontoon Beach Church of Christ. The bride is formerly Patricia Lynn Harris, a daughter of Mr. and Mrs. Robert E. Harris, 1404 Norwood Drive.

Patricia L. Harris and Steven M. Jones are wed

Miss Patricia Lynn Harris, a daughter of Mr. and Mrs. Robert E. Harris, 1404 Norwood Drive, became the bride of Steven Michael Jones, a son of Mr. and Mrs. Richard Jones, 4141 Highway 111, on Nov. 5 at the Pontoon Beach Church of Christ.

Organist Mrs. Margaret Kindle, an aunt of the bride, accompanied the soloist Tony Johnson. He sang "If and You Are So Beautiful."

White satin bows marked the pews and branched hurricane candelabra holding burning tapers illuminated the sanctuary for the double ring ceremony performed at 7:30 p.m. by the Rev. Jack Kelly.

Escorted down the aisle and given in marriage by her father, the bride chose a full length ivory satin gown. Embroidered lace, accented the round neckline and was repeated on the Empire waist and also formed a floral design down the front of the full flowing skirt.

Her long fitted sheer sleeves were enhanced with satin fingertip cuffs. A cathedral length train fell softly from the gathered waistline.

A headpiece of lace petals embellished with pearls and crystals, secured her fingertip veil of bridal illusion and she carried a nosegay bouquet of white pom poms and cushion mums intermingled with yellow star flowers and centered in a garland of lace.

Matron of honor Mrs. Vicki Jones, a sister of the bride and bridesmaids Miss Connie Kindle, a cousin of the bride and Miss Joyce Haldeman, selected identical rust color jersey dresses.

Their Empire style long gowns were designed with attached hoods which also served as high collars.

Each attendant held a single white mum festooned with sprigs of dried wheat and baby's breath and rust color streamers.

Bruce Bennett attended the groom as best man. John Jones, brother of the groom, William Yuterson, Ernie Morris and Dave Smith completed the

corps of groomsmen and ushers. John Jones Jr. served as the ringbearer.

For her daughter's wedding, Mrs. Harris, chose a long pink silk crepe gown trimmed with a beaded trim at the neckline and on the cuffs of the long sleeves. Mrs. Jones, mother of the groom, selected a dress and jacket ensemble fashioned of eggshell color nylon crepe knit interwoven with silver threads. Both mothers wore orchid corsages.

The newly married couple received guests at a reception held at the Long Lake Firemans Hall immediately following the service. Miss Robin Heffner attended the guest book.

After a wedding trip to an undisclosed destination the couple will reside in Granite City.

The former Miss Harris is High School North and will graduate in January. She is also working part time at Anthony's Restaurant.

Her husband is employed at A. O. Smith Corp.

CONCERT BY YOUNG SUZUKI VIOLINISTS

Students participating in the String Preparatory Program at SIUE presented a concert Sunday evening at the First Baptist Church of Edwardsville. The concert featured the Youth Chamber Orchestra with the String Preparatory Program, soloists and group performances by the children under the direction of John Kendall, professor of music at the university.

The violinists, ranging in age from 6 to 14 years, are children from this region who are studying violin at SIUE by the Suzuki method. The Suzuki philosophy is based on the theory that any child with normal ability to learn to speak can, by repetition of sound, learn to play the instrument by the same method. There are SIUE graduates now teaching the Suzuki method in schools all over the U.S. and in other countries, including Ireland and England.

Comment and analysis

Centralization of some municipal facilities is logical; the basic city hall functions need to remain downtown

While federal funding documents list a city hall, police station and jail for construction in the 2300 block of Madison Avenue, it is encouraging to know that municipal officials plan continued operation of the Nierdinghaus and Edison avenues building as the principal site of the city government.

The Downtown Granite City area cannot — and should not have to — accept unlimited siphoning of key service facilities to other locations. Moving of the U.S. post office a few years ago, forced by federal authorities, serves as adequate example of the adverse impact on the central business district.

Current plans for the block already occupied by the post office and main fire station call for construction of new municipal facilities, including a police station and jail. Inclusion of a courtroom adjacent to where prisoners are kept also

would be logical. Also moving to the new space would be such city offices as those of engineering, inspection, air pollution staff, all now situated near the street department at 2301 Adams St.

Removal of the jail and police headquarters would enable the present city hall to have more room for key offices, including those of the mayor, city clerk and city treasurer. Courtrooms and related clerical facilities also could blend well with such offices, contrasting the present air pollution staff for extensive government-related activity.

Downtown has a lot going for it—diverse stores and businesses, the city hall, St. Elizabeth Hospital, state offices, Granite City Steel, YMCA, parks, churches, banks and other facilities—but past and present patterns argue strongly against encouraging any further office departures.

County governmental belt-tightening is in order but basic office staffs and services must not be crippled

Intensive study of potential Madison County revenue by Auditor John L. Kravack and other officials has shown that employee cutbacks need not be as extensive as those projected earlier by the County Board's Finance Committee.

This is fortunate, because even the severest critics of governmental spending were convinced that the committee's proposed elimination of 85 or 90 positions would have virtually halted effective functioning by Courthouse office staffs.

Among the sources of additional income are fees and fines received by the county through the offices of the state's attorney and circuit court clerk. Other potential sources include insurance premiums and the federally-funded Manpower program.

The committee had discussed terminating 10 of 23 county clerk offices, 14 of 58 in the circuit clerk office, 10 of 33 working for the county treasurer, one of three employed by the auditor, six

of 12 employed by the recorder of deeds, three of eight in the building-zoning department, 10 of 70 at the county environmental control staff, four of 79 sheriff employees, three working for the judicial circuit, two from the state's attorney's staff, two from the probation department staff, one from the public defender's office, two of 12 employees, one of two parks-recreation staff members, one of 14 building-and-lands workers, 10 of 70 at the county nursing home and eight of 19 at the shelter care home.

Factors in the cost squeeze include employee raises, added fringe benefits, escalating past surpluses, higher insurance costs, plus voting machine alteration expenditures related to the November 1976 election.

All of these points indicate that "belt tightening" will be appropriate in Wednesday's budgeting, but not to the extent initially visualized.

Brownies tour Post Office

Brownie Troop 264 of Lake School toured the Post Office in Madison Ave. The very informative tour was led by Philip Tsigaloroff.

Brownies participating in the tour were Lisa Andrews, Julie Austin, Cathy Coble, Gine Deckerd, Jeannette Gibbs, Beverly Goforth, Amy Hester, Cindy Jeffries, Gwynne Johnson, Sara Keel, Susan Kelly, Pam Sherell, Amy Siebert, Cindy Smith, Sally Smith, and Laura Withers, and guests, Tom Goforth and Mary Hayburn. Also attending were Betty Goforth and Mary Sherly, co-leaders, and Faye Hester, Beverly Gibbs, Mary Keel, Amy Deckerd, Ann Siebert, and Brenda Withers, mothers.

The troop is making plans for Christmas by creating ornaments to be hung on the tree at the Girl Scouts' Festival of Giving to be held at St. Margaret-Mary School on Dec. 5 from 2 to 3 p.m. Canned food and non-perishable items are also being collected to be presented at the festival for later distribution to needy families in our area.

Plans are also being made for the troop to visit the Anchorage complex on Dec. 13 at which time a party will be given for senior citizens there. Entertainment and refreshments are being arranged.

Brownies will be leading the flag ceremony at the Dec. 14 PTA meeting at Lake School, preceding a vocal music Christmas program.

Third birthday of Angela Sue Judd

Mr. and Mrs. Larry Judd, 714 Brown St., Venice, entertained guests at a party in honor of the third birthday of their daughter, Angela Sue Judd.

A Mickey Mouse decorating motif was used for the table appointments and for the cake. Those attending included Dorothy Sherly and Kris Judd, grandmothers of the honoree, Tina, Don and Tabetha Tully, Linda Hayden, Peggy Muir, Jean Muir, Betty Ballentine, Jack Ballentine, Sherry and Tammy Sherly, Jimmy Hayden, Jamie Hoffman, Bertha Muir and Venita Bogus.

Suburban Baptist sets revival

The Rev. Wendell Garrison, currently pastor of Winesboro Baptist Church, Fairview Heights, will be the featured speaker at a revival to be held at Suburban Baptist Church, 2500 St. Clair Ave., beginning Sunday, Nov. 28, through Dec. 3.

Rev. Garrison, former pastor of the best church in the city, will deliver sermons each evening at 7 p.m. and on the final day at the 10:30 a.m. worship service.

He has served churches in Keenes, Ill., Howland, Tex., West Frankfort, Ill. and had been minister at the local church for five years prior to moving to the Fairview Heights church in 1971.

Raymond Voorhees a native of Granite City, now serving as minister of music in Columbia, La., church will direct special musical programs for the revival services.

It is a graduate of Southern Illinois University at Edwardsville and also was director of the public school at the local church for five years prior to accepting a position in DeKalb, La. in 1971.

Voorhees was the summer director of music and youth at Suburban Baptist.

Circle Two meets at Kerch home

Miss Richard Kerch, 2910 State St., was hostess to Circle Two of the United Presbyterian Women last week for a monthly meeting.

Missionaries of the day were given by Bernadine Cooley and Mrs. Irene Haag led the Fellowship of the Least Coin. Mrs. Lucia collected the thank offering.

Plans were discussed for a yule holiday party and the lesson followed presented by Bernice Holtzner and Hazel Pellet.

Attending the session were Lois Daniel, Emma Steinberg, Fannie Scheindel, Mary Werner, Pat Browne, Peg Stevens, Irene Pierson, Thelma Ruppel, Evelyn Ackerman, Ethel Beller and a guest Mrs. Ila Maston.

STEAL MOTORCYCLE

Slow progress toward equality for women

(American Psychological Association)

The ideal of equality between the sexes has achieved great popularity among dating couples on college campuses, but progress toward achieving this ideal has taken place slowly and unevenly.

As a result, there is currently a great deal of diversity among dating couples with respect to their patterns of power and decision-making, romantic behavior and other aspects of their relationships.

This was one of the conclusions of a team of three social psychologists, Zick Rubin of Brandeis University, Letitia Anne Peplau of UCLA and Charles T. Hill of the University of Washington. The researchers reported some of the results of a two-year study of students dating couples in the Boston area at the 1976 convention of the American Psychological Association.

When asked to report on the actual balance of power in their relationship, however, fewer than half of the students thought that they had actually attained the egalitarian ideal.

When asked, "Who do you think has more of a say about what you and your partner do together?" only 49 percent of the women and 42 percent of the men chose the "traditional" view from the "egalitarian."

Among the rest, two-thirds of the women and three-quarters of the men thought the man had more of a say.

The researchers also found that the likelihood of having an egalitarian relationship was greater among couples in which the woman planned postgraduate education and wanted a long-term career.

There was a great deal of diversity among the couples with respect to attitudes about the roles of the two sexes, both in patterns of etiquette (who should drive, should open the doors open for women?) and in

patterns of marriage (should women stay home?) who should have major responsibility for the children).

There was a strong tendency for both members of a couple to have similar sex-role attitudes.

Of the 231 couples in the study, slightly more than half stayed together over the two-year period, while the remaining 103 couples broke up.

Couples were most likely to stay together when both parties were equally involved in the relationship.

Of the equally involved couples, only 23 percent broke up over the two-year period, compared to 54 percent of the couples in which one partner

was more involved than the other.

"It was often difficult for couples to break up," Dr. Rubin reported. "In particular, men who were highly involved in a relationship often found it terribly difficult to cope with the ending of the relationship. Women seemed somewhat better at giving up their love one when their situation demanded it."

Rubin also reported that couples were more likely to stay friends when the man initiated the break-up.

Rubin emphasized that breaking up can be a valuable experience for young couples.

It is important for young people to develop skills that allow them to break up before marriage," he said, "rather than waiting until after marriage, when breaking up is likely to be much more painful and disruptive."

ERA goal is a more equal society

To the Editor:

ERA is the proposed Equal Rights Amendment to the United States Constitution. It says: Equality of rights under the law shall not be denied on the basis of sex.

It provides that sex may not be a factor in determining the legal rights of men and women. It recognizes the fundamental dignity and individuality of each human being.

Some people still do not realize that this very ERA is the Illinois state constitution and that this new amendment will only entitle the federal government to make rulings concerning discrimination.

It is clear that the amendment would not require both husband and wife to contribute identical amounts of money to a marriage.

It says that the support obligation of each would be defined in a variety of terms, including the individual's monetary contributions to the family welfare.

It says that the homemaker be able to remain in the home, but the ERA will require support in compensation for housework.

The time has come to recognize that homemaking is a job, and that the contributions to the support of the family.

The law is not the reason why many women have the good life; it is because they have a kind, generous husband who is willing to make it that way. The ERA will allow a kind and generous husband to remain kind and generous; but it will give wives important rights not

dependent on their husband's generosity.

The best recent example of what can happen in any state that does not have a statute concerning the rights of housewives is furnished by the Nebraska Supreme Court in 1953.

The couple had been married over 20 years. The wife had not only done all the household tasks faithfully, but also helped the farm chores and legions of 30 chickens for income to buy personal effects, household goods and groceries.

At the time of her death, she was 60 years old and physically unable to keep the chickens for income. The husband had over \$100,000 in government bonds and \$12,000 in the bank, owned the \$85,000 farm outright, and earned about \$9,000 a year.

He allowed no charge accounts or membership in any club, and he had not even a movie in 12 years and had not permitted her to buy new clothes or furniture for 15 years, but did supply groceries.

It was established that the couple had a 1927 car with no title, and that the wife had not operated properly, and that there was no running water or sink in the kitchen.

The wife sought a court order for \$50 a month, and the husband refused to pay. The court denied any relief.

The judges said there was no power to grant such orders unless the couple was separated. So long as they live together and have a good husband, the husband, he is the master of the household.

You might say, well, this was

Steeler band performance at college

Although it has been two weeks since our one-time homecoming at McKendree College, I would be remiss in not saying I did not personally express how impressed we at the college were with the Granite City North marching band.

The marching Stealers participated in both our

homecoming parade and halftime show at the McKendree University of Evansville soccer contest, and what talent they displayed was well appreciated performance. We hope that Granite City North will be invited back for homecoming 1977.

Safety concern on Nameoki Road

Consider it: We have had many National Safety Council discussions and set up traffic changes along this section of roadway to Pontoon Road, endeavoring to alleviate the traffic congestion and enhance a greater influx of shoppers into this area.

But to date, there remains a traffic problem with no relief forthcoming.

In our minds, opening another inlet into this traffic-clogged with another uncontrolled left

turn into this area — will be blocking the exodus of traffic from the Nameoki area, very hazardous situation.

Personally, I sometimes feel as sorry for those people living in that area as I do for myself and the approximate 10,000 other residents of the West Side of town, as I continue to plead for an outlet to our dilemma — an overpass at the railroad crossing.

Holiday dinner at Anchorage

A Thanksgiving dinner was served at the Anchorage Recreation Hall, last week, to 90 members and guests of the Anchorage Senior Citizens Club. Opening prayer was offered by the Rev. Roy Meredith followed by the group reciting the pledge of allegiance.

David Morgan, Granite City Housing Authority, executive director, announced the suite flu inoculations will be offered to the senior citizen residents of Anchorage and Kirkpatrick Homes at 9 a.m. on Monday, Nov. 29, at the Anchorage Recreation Hall.

Mrs. Georgia Butler, president, reported a Thanksgiving dinner will also be served on Thursday, Nov. 25, for senior citizens at the Eagles Aerie Hall. Dinners will also be delivered to the shut-ins who are unable to attend.

All reservations are to be made at the Anchorage office.

Guests attending included Mayor Paul Schuler, Mary Hogan, Lucille Chepley, Mrs. Rens, Edna Paul, Hazel Ronk and the office staff of the housing project. Mrs. Paul Schuler was the guest of honor. The dinner was a fine table centerpiece donated by Mayor Schuler and Mrs. Mitty Robertson, was awarded the "Best of the Best" provided by Willis Florio.

The next meeting will be held on Dec. 1.

Pfeiffer-Schaefer nuptials

length gown fashioned with a peach rose and peach ribbon.

Attending the couple was Mr. and Mrs. Leonard (Ann) Schaefer, a son and daughter-in-law of the former Mrs. Schaefer.

A catered dinner was served for the bride and groom and friends at the church fellowship hall immediately following the service.

Among the guests were 25 grandchildren and five great grandchildren of the newly married couple.

Mr. and Mrs. Pfeiffer will reside in Granite City.

Thanksgiving Day service at St. Peter's Church

Thanksgiving Day worship service will begin at 9 a.m. at St. Peter's Church, 2151 St. Peter's Avenue, St. Louis.

Rev. Dr. Paul Turley officiated at the 6 o'clock evening ceremony before an overflowed church.

The bride was escorted to the altar by her grandson, Leonard F. Schaefer. She wore a formal

Following the worship the theme of the service was "The Church of Christ: Education will host a coffee hour in Fellowship Hall with Mrs. Schaefer as chairman.

Mrs. Esterl Monken will continue a custom she began six years ago, providing homemade fruit breads for the occasion.

The Thanksgiving Day worship service is planned at an early hour in order to permit families to attend worship before going to other events of the day.

The Junior Church under the direction of E. Alan Wood and the Church Choir under the direction of Mrs. John Wood will provide special music. All worshippers have been asked to bring canned goods for the community Christmas baskets. The confirmation class will assist in the receiving of this offering.

Lake Open House attracts 200

Approximately 200 people attended Open House last week at Lake School, according to Edna Goforth, principal.

The event was held in conjunction with American Education Week.

Parents visited classrooms, including the school's Learning Center and the Special Education Department, and to meet the respective teachers.

They also were able to get a free blood-pressure check from Miss Linda Bonati, a registered nurse and daughter of Mrs. Elsie Bonati, third grade teacher at Lake.

Each day during American Education Week, parents were invited to visit the school and hear about the children.

During the executive board meeting of the Lake School PTA, Pat Withers announced the duties of the PTA for the following year.

Resignation last month of Mrs. Robert Phelps, the board president, was accepted. Mrs. Phelps was replaced by Mrs. Brenda Withers.

Mrs. Brenda Withers will be in charge of the school sweatshirt sale, it was reported. Being offered are long-sleeved sweatshirts in a blend of cotton and acrylic fibers, made in the school's line mascot and the words "Lake School Links" encircling it. A shirt is displayed at the school and is being offered in three colors and several sizes, the president added.

The students are having a canned-food drive to provide food baskets at Thanksgiving for needy Lake School families. Those wishing to participate in this year's drive are requested to bring food items to the school no later than Tuesday, Nov. 23.

A committee was selected to choose candidates for PTA Service Awards, to be presented in February at the Area PTA Council awards banquet.

The PTA will meet next on Dec. 14. At this meeting awards will be given to children participating in the PTA-sponsored candy sale. The program will be a presentation of Christmas music by the vocal music department.

MRS. GRACE HENNRICH IS BIRTHDAY HONOREE

At the Christmas Eve Club in the home of Mrs. Grace Hennrich, 2557 Iowa St., and honored the hostess on her birthday with a gift from the members.

Honors in the evening games were won by Mrs. Grace Range, Vera Carey, Libby Lombardi and the hostess. Also present was Mrs. Ned Adams, Margaret Richardson, Irene Peeler, Leona Patten and a guest, Alva Nonn.

Christmas Eve, 3405 Lydia Lane, invited the group to her home on Dec. 16 for a Christmas party.

ON DISPLAY. More than 50 paintings by four local artists are currently on exhibit in the First Granite City National Bank lobby. Shown is a portion of the work of Lucille Butler and includes a water color of the old "Kinderhook School." The collected works will remain on exhibit through Nov. 29.

ART EXHIBIT. The collected works of four local artists are on exhibit in the lobby of First Granite City National Bank. Included in the more than 50 paintings is the work of Jeanette Pinkston, a portion of whose work is shown here. The collection will remain on exhibit through Nov. 29.

Art works in bank display

The art works of four local artists are on exhibit in the lobby of First Granite City National Bank. The artists represented in the collection are Lucille Butler, Jeanette Pinkston, Mary Forie and Mary Schisler.

Comprising a total of 53 individual paintings, the collection features a variety of subjects including still life, landscapes and several locally inspired settings.

The collected work also exhibits a variety of mediums including charcoal, acrylics, water color, and a unique scratch painting by Lucille Butler.

Oil Paintings dominate the collection, including an unusual oil on burlap by Mary Forie, "Open Hearth" by Jeanette Pinkston, and "Local Color" by Mary Schisler.

The paintings are for sale through purchase arrangements made directly with the artist concerned.

The exhibit will remain on display through Nov. 29.

Workshop for nurses Dec. 2

A one day workshop, "Nursing Practice Today: A Nurse's Assessment," will be presented at the Holiday Inn on Dec. 2 at Collinsville, Illinois.

Sponsored by the Southern Illinois Society for Health Care, the program will feature current information on methods of cardiovascular, neurological and respiratory physical assessment.

Registration is \$12.50 in-cluding lunch. The workshop is open to registered nurses employed in hospitals, schools, offices and community health agencies.

The Illinois Nurse Association has granted approval of 0.7 CEUs for the program.

For further information, contact Shirley Blumford, 462-7342, or Jane Finnell, 465-8831, Ext. 635.

This Thanksgiving, enjoy the great, moist taste of an A&P brand Butter Basted Turkey

Our A&P brand butter basted turkey is one of the finest turkey can buy. You'll find each bird broad-breasted and heavy with white meat. The fine U.S. Grade "A" quality is further enhanced with a butter basting process which assures a delicious, moist buttery flavor. In addition, each A&P brand turkey has a pop-up timer to let you know when the turkey is done.

MAGNAVOX DECORATOR STEREO

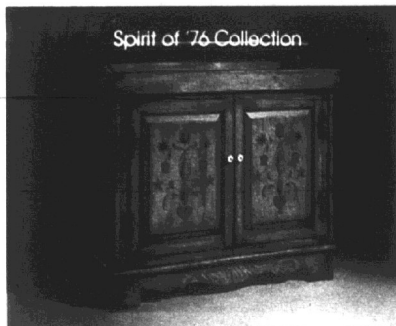

Lets you enjoy cabinetry
of timeless elegance...and the
total experience of Dimensional Sound.

Your choice of five deluxe fine furniture stereo consoles. Into magnificently crafted cabinets, Magnavox placed front and side-fired speakers to create *Dimensional Sound* (a deluxe 3-way speaker system with two sealed air-suspension Bass Woofers, two 5" Mid-Range Speakers and two 3½" Tweeters). Unlike ordinary console stereo with front projected sound only, *Dimensional Sound* is directed to the sides as well...to surround you with richer, fuller sound of Stereo FM/AM radio, records, or optional tape equipment. Shown, Mediterranean styled model 6746. Also available, Italian and French Provincial styling plus two Early American styles.

SAVE \$50.95

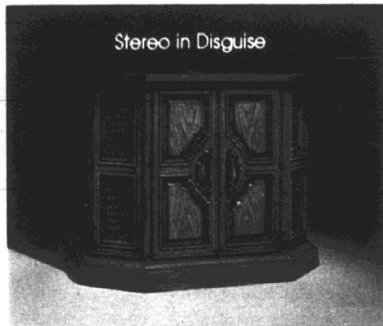

Spirit of '76 Collection

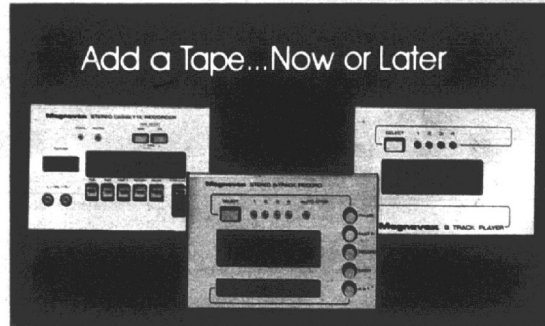

Dry Sink Decorator Stereo. Model 6564, from the award-winning Magnavox Spirit of '76 Collection, is an authentic reproduction of an Early American design and contains a full-featured Stereo FM/AM radio and automatic record changer. Four speakers project thrilling sound for your listening pleasure. Beautifully crafted of Pine wood solids with colorfully decorated doors.

Stereo in Disguise

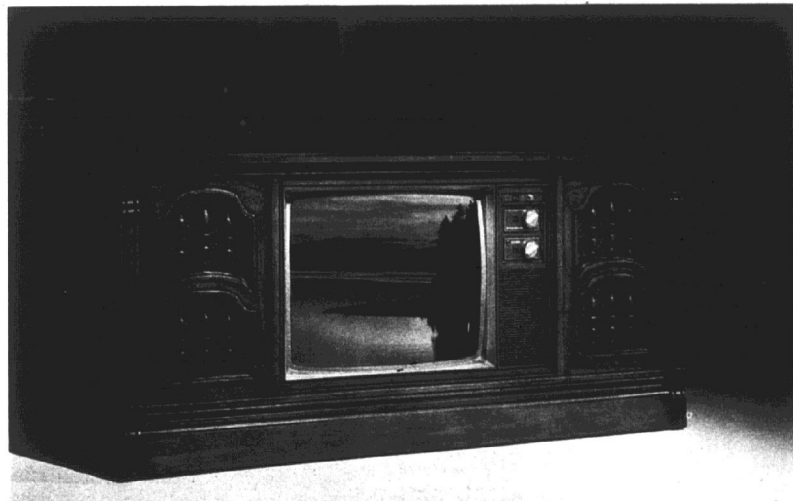

Drum Table Decorator Stereo. This Magnavox will bring you rich, full *Dimensional Sound* of Stereo FM/AM radio, records and optional tape equipment. Six omni-directional speakers project thrilling sound to surround you with beautiful music. Shown, Mediterranean styled model 6646. Early American also available. Both are of durable wood products and non-wood material.

Add a Tape...Now or Later

Choose an 8-track tape player, an 8-track tape recorder/player...or a cassette recorder/player. Any will fit easily in the record storage area and will bring you even greater enjoyment and listening pleasure from your Magnavox stereo console. A unit may be added at time of purchase...or at a later date.

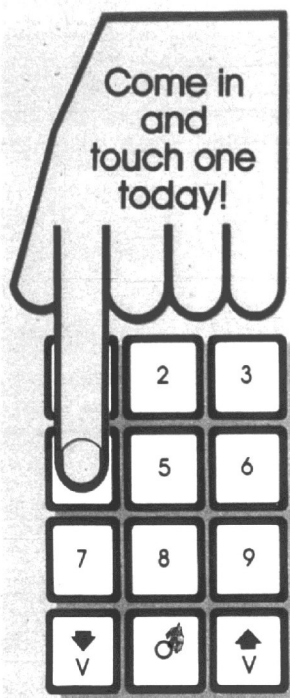

100% Solid-State VIDEOMATIC® 25" diagonal COLOR STEREO THEATRE

THE MAGNAVOX TOUCH

The incredible Star System™ Touch-Tune™ Color Television. A picture of astonishing clarity and brilliance — at the touch of your finger.

The exclusive Magnavox Star System Touch-Tune Color TV is a sophisticated solid-state electronic system that lets you zero in on any of 82 channels — UHF and VHF — instantly, silently, effortlessly. There's no fine tuning, no programming — ever. Integrated circuits automatically tune to the precise frequency of the channel you've selected. The channel number (and the time on console models) even flash on the screen. Touch-Tune at the set...or from up to 40 feet away (remote control included). Someday all television may offer the precision of a digital computer and the ease of a pushbutton telephone...but for now Touch-Tune Color TV is only from Magnavox. And, it's available in a wide range of prices and styles. Touch one today.
